Milk had been disappearing from there for some time and that evening Night Officer Fish secreted himself close to the porch and caught the lad in the act. He said it was his first offense and that he intended selling milk for car fare with which to ride down to the merry-go-round. He will be tried today before the Juvenile Judge.

Last week The Herald, in referring to the Lents young man who is trying for one of the scholarships to be given away by the Meir & Frank store, spoke of him as Alvin Bradford, when it should have been Lowell Bradford. He is now second in the race.

Junk dealers will doubtless leave L. E. Wiley's property alone after this. Last Friday one of them, without invitation, walked to the back door of Wiley's store and appropriated a wash board and boiler. His act was soon discovered and he re-appeared, whereupon Mr. Wiley took his fist away from the anatomy of said junk dealer a couple of times and assisted him down the road with the toe of his shoe.

## DEATH CLAIMS MRS. HARRIET BALL

Mrs. Harriet Ball died at the Emanuel hospital in Portland, Saturday, May 18, after an illness of three days. Mrs. Ball's home was at Cottrell where she spent most of her life since moving to Oregon. She was a member of the Baptist church of that place and was an earnest worker in the church.

While visiting her daughter, Mrs. L. Newell, of Portland, she was taken suddenly ill with pneumonia and was moved to the hospital where she died Saturday Morning, May 18.

Mrs. Ball was born in Michigan June 25 1848. She was married to Marrel Ball in 1866, moved to Nebraska in 1880 and came to Oregon in 1901. The deceased was the mother of nine children. Those who survive her are: Mrs. G. H. Blackburn, Wallace and Warren Ball, of Cottrell, Ernest Ball, Mrs. L. Newell and Mrs. Lola Lee of Portland and Mrs. Harry Lusted of Lents.

## MAY ORGANIZE ATHLETIC CLUB IN LENTS

There is a movement on foot to organize an athletic club in Lents and provide a gymnasium and club room for the members thereof. As yet the scheme is only in its infancy, but from the support thus far received it is apparent that a good healthy club can be formed here. Lou McKinley has the matter in hand and states that the young men of the town, with whom he has talked, are anxious to secure such an organization, and it is likely that if a suitable hall or building can be obtained the club will be formed.

It is planned to secure a spacious room, which can be fitted up with athletic appliances; also shower baths, lounging and club rooms.

An organization of this kind is needed here and is something that would be of great benefit to the young men of the town. It is likely that definite steps will be taken within a few days to bring the matter to a head. This depends, however, on whether or not a suitable hall can be secured.

Sixteen Lents residents were summoned before the Grand Jury this week to give evidence regarding gambling games alleged to have been conducted in Lents. Only about half the number were called to testify. As yet no true bill has been returned.

## GRANGE AGAINST SINGLE TAX

West's Road Bills are Also Fought and Order Will Support its Own.

Roseburg.—After wrangling the greater part of one day over U'Ren's pro-single tax resolution, which was defeated, the state grange closed its labors Saturday.

The grange is opposed to Governor West's road plans and the Pacific Highway; is opposed to the consolidation of the state university and agricultural college; is in favor of equal suffrage; is in favor of building good roads by bonding, provided that home rule be applied in fixing the highways to be improved. The grange is also in favor of taking state institutions out of politics.

There were four days of active discussion by the grange. During the meeting each of the great problems before the people of the state was taken up and fully discussed.
