## FINAL LEAGUE CONTEST SUNDAY

### Lents and Crescents Play Deciding Game of League Series

Next Sunday the Lents and Crescent teams of the A. W. League will play the last game of the season. Not only does Sunday's contest finish the season, but the game will decide the pennant winner. The two teams are tied for first place, having lost only one game each during the season, and whichever team emerges victorious in Sunday's contest will flaunt the pennant of victory for the season of 1912. The contest will be the hardest fought of the season. Both teams are on edge and will play the game of their lives.

The Crescents are confident and express themselves as believing they will win, but anticipate a hard game. On the other hand the local lads are equally as confident and expect to not only defeat their opponents but anticipate giving them a real drubbing. Considerable practice work is going on this week and both clubs will be in excellent condition for the contest.

This being the last and deciding game of the season Lents fans are anxiously awaiting the contest and there will be a record breaking attendance.

## ANENET LENTS ATHLETIC CLUB

A meeting of the young men of Lents and those interested in athletics will be held next Tuesday evening at the furniture store of J. C. Mount & Son for the purpose of perfecting the temporary organization. The meeting will be called at 8 o'clock promptly and it is expected that there will be a good representation present.

Lou McKinley, who has the matter in hand, states that there is an excellent response to the movement and there is every indication that a club will be immediately organized with a good healthy membership.

That there is plenty of material here for such an organization is evinced on every hand, there being a number of good athletes here and plenty of material for improvement. That Lents will figure prominently in athletic and track circles is proven by the fact that Frank Wands won a 4-round bout over Johnny Seal, of the Columbus Club in a recent Portland meet. Aside from Seal there are a number of others here who will figure actively in like events and it is hoped that every one interested in this line will be in attendance at the meeting to be held next Tuesday evening.

## PARENT-TEACHERS CLUB DOING GOOD WORK

The Parent-Teachers club met Saturday at the home of Mrs. Otto Katzky and discussed arrangements for the purchase and installation of equipment for the public play-grounds.

It was decided to install a sanitary drinking fountain immediately. Wm. Eatchel will look to the purchasing of the fountain and the same will be installed by John Earsome. Dr. Sells was appointed to take charge of the work of locating the various amusement features. Among the features to be installed will be several swings, see-saws, dutch swings, giant strides, sand boxes, etc. These will be installed as soon as possible and other equipment will be added later.

The question of having some one to look after the children and grounds while at play there came up, and it was decided and agreed that each day some mother would be present to look after the youngsters. There are a sufficient number of mothers and ladies interested in the movement to do this without the same one having to serve more than one day during the month.

Now that the end of school is near when hundreds of children will be turned out with nothing to do, the public play ground will be an attractive and beneficial feature. With plenty of shade and room and various amusement features the children can pass a pleasant summer and not be roaming the streets and other undesirable places.

AUTO FOR HIRE—Home phone 392. Pacific phone, Tabor 3336. Day or night service. Stand, corner Otto's barber shop, Lents. Reasonable prices.

If the Home Team Wins the Final and Deciding Game

## CRESCENTS CONTEST LOST GAME

The regularly scheduled game between the Crescents and Marshall Wells teams was played on the Lents diamond last Sunday afternoon and was won by the latter, the score being 8 to 5. The game has been protested by the manager of the Crescents owing to the fact that they used a number of players belonging to the Lents team. The management of the Crescents stated before the game that he was perfectly willing that Lents players be allowed to help the M. W. team, but despite this statement has contested the game. The result of the contest is a matter of doubt, but it is thought that the game will be allowed to stand. Should the contest win and the officials declare another game Lents will have to win Sunday's victory to secure a tie, and should they lose the Crescent team will be declared the winners of the pennant. If the game is declared regular the standing of the Crescents and Lents will be the same and the coming game will decide the pennant winners without playing an additional game.

All vote coupons clipped from The Herald are void after June 11.

## PORTLAND COLTS TROUGH GIANTS

### Locals Outclassed and Defeated By a Score of 8 to 3.

The Portland Colts came to Lents Sunday after the scalp of the Lents Giants, and that they returned home with the same dangling to their belt is expressed by the 8 to 3 score, with the locals on the short end.

The locals were greatly weakened by the absence of Emery Webb, who twirled them to victory the previous Sunday, and although two new twirlers had been secured, neither proved effective and the Colts romped around the diamond in a coltish fashion. Matt Boland, twirler for the Lents A. W. team was sent to the mound to stop the onslaught, but was suffering with a sore arm and was unable to stop the scoring.

The Colts battery did excellent work and were given rattling good support. The pitching of Fitzgerald, who resembles a young giant, was of the Class A variety and his performance was highly creditable. The playing of McFarland, Lawrence and McHale were other features of the game.

## BORING RESIDENT COMMITTS SUICIDE

BORING, June 5.—L. L. Lee, living on a small tract of land near the town limits, shot himself through the right temple Sunday afternoon about 2 o'clock with suicidal intent. That the deed was premeditated was shown by letters previously written to friends asking them to call that he wished to transact some business with them. When they arrived he was found sitting dressed in his best clothes at the table unconscious and a revolver lying on the floor. Dr. Esson of Sandy was called and the man removed to Oregon City by automobile. No hope is offered for his recovery.

If the Home Team Loses the Final and Deciding Game

## LEAGUERS DEFEAT DAMASCUS SUNDAY

The Lents team of the A. & W. League journeyed to Damascus Sunday and defeated the Damascus team by the score of 11 to 5. Barring a poor start in the first inning in which their opponents scored all five of their runs, the locals played class "A" ball. Clark, who was on the mound for the leaguers did not allow a man to reach third base after the first inning, and was never in danger of being scored upon after that. The fielding of Forte, who held down the third cushion for the locals, was a feature of the game.

Lee, who is of Swedish descent, was insane about one year ago, but was discharged later and returned to Boring where he has been at work cutting cordwood.

STRAY HORSES—Two horses, one white and one chestnut, came to my place June 3rd. Work horses. Owner can get same by calling and paying charges. Inquire at McKinley's feed stables. V. A. BUNTZEL.

Miss Mildred Allen is visiting her relatives in Corvallis.

## FIRE DEPARTMENT HOLDS SESSION

The Lents Volunteer Fire department held a regular semi-monthly business session in the engine house Monday evening and transacted a considerable amount of business.

One of the important features of the evening was the acceptance of a lot in Cliffs, Wash., the gift of the Bright Realty company to the department. The lot is valued at \$150 and will be disposed of in whatever manner the department selects. A committee of five was appointed to select a method of disposing of the lot and will report at the next regular meeting.

The lot is a valuable gift to the department and comes to the department through the generosity and liberality of Mrs. Theckis Bright, manager of the company, which bears

her name, and which is an important concern in Lents.

During the session the department extended a vote of thanks to the management of the Isis theater, the Portland people and Father Beutgen for their part in the presentation of the benefit show Saturday evening. The vote of thanks contained a warm expression of the appreciation for the efforts of these people in the work of assisting the local fire company.

The regular routine of business was disposed of and the department adjourned until the next regular meeting.

A. A. Thielke, of Firland was in Lents today interviewing local band men with a view to organizing a band here. Mr. Thielke is a competent instructor and a musician of ability. There are several players here and it is thought that a good band can soon be organized. The business men are being interviewed and if any support is accorded the organization will become a reality. Let's all boost for it.
