He was engaged in splitting wood, holding the stick with his left hand and swinging the axe with his right, when a mistake in judgement allowed the axe to strike his left thumb, badly lacerating the member. Dr. Hess rendered surgical assistance. The cut is a severe one and will prevent the young man, who is a baker, from working several days.

SCHOOL CLOSURES SUCCESSFUL YEAR

Banner School Year Is Closed—Teachers Hired For Another Year With But Few Changes In List.

The Lents public schools closed Tuesday of this week after one of the most successful years in the history of the school. Teachers and pupils have both labored hard during the past school year and have been given good support by patrons of the school, which, combined, have made the school highly successful from every standpoint. The pupils have made excellent progress and the showing of the local educational institution is as good and better than many of the schools in District No. 1.

Prof. Hershner, under whose direction the school has made good progress during the past year, and who has held the position as principal of the school for the past several years, has succeeded in bringing about excellent results and has been ably assisted and co-operated with by an excellent corps of teachers.

The election of teachers was held several days ago and the result shows only two changes in the list of teachers who have faithfully labored in the Lents school during the past and made it the standard of success that has been reached.

The teachers re-elected or newly elected for the coming year are as follows:—Principal, A. F. Hershner; assistants, Frances E. Smith, Mrs. E. L. Paxson, Katherine Jenkins, Carrie E. Hunt, Belle R. Eade, Ida M. Hurlbaums, Fannie L. Ziegler, Bess Brubaker, Geraldine Kirk, Mrs. L. W. Ausmus, Mattie B. Train, Nell Moran, Margaret Percefull, Essie Shinn, Leona Sansum, Mertie Anten, Fina Sagorsky, Stella E. Smith, Dorothy Waugh, Mrs. M. K. Darnall, Ethel Everts.

The new teachers elected are Miss Carrie Hunt, who has been teacher in the Sellwood school, and Miss Katherine Jenkins. Miss Gladys Kiches, who has been with the local school, goes to the Sellwood school, and Miss Jennie Richardson, another Lents teacher, goes to the Clinton-Kelley school.

The various teachers are returning to their homes this week and are arranging for their annual vacation.

COUNTY GRANGE MET WEDNESDAY

The quarterly meeting of the County Grange was held Wednesday with the Pleasant Valley Grange at Sycamore. The usual busy conditions existing at this time of year prevented a large attendance yet there were enough present to make a very good meeting. After one of the best grange dinners ever served to a Pomona grange in the county, the afternoon session was taken up with a discussion from Mr. Black, of Woodlawn, concerning the State Grange. Several songs and recitations added to the interest of the occasion. Mrs. Niblin read a paper on the equal suffrage question which was discussed by R. M. Gill and others. A class of six were obligated in the fifth degree. The next meeting of the county grange will be held at Pleasant Home in September.

of the torrid zone. The situation was relieved yesterday evening by copious showers.

Deputy Sheriff John Hall stated this morning that the reckless speeding of motorcycle riders and auto drivers through the streets of Lents would meet with bad luck in the future and emphatically announced that unless the practice ceased he would call for a special officer to assist him in the work and that every violator would be prosecuted. J. V. BEACH AGAIN ELECTED DIRECTOR

Old Member Defeats Plummer 711 Out of Total of 6579 Votes—Women Take Active Part.

Defeating O. M. Plummer by a majority of 711, J. V. Beach was yesterday re-elected a member of the Board of Education of School District No. 1 for the fourth consecutive term of five years. Mr. Beach received a total of 3639 votes as against 2928 for his opponent. Twelve defective ballots were cast, making a grand total of 7579, or 23 per cent of the 28,722 legal electors of the district who were qualified to participate in the election of directors. Women taxpayers cast 40 per cent of the vote.

Provisions of the corrupt practices act do not extend to school elections. If the limitations of the state statute respecting the use of automobiles on primary and general election days were applicable to yesterday's election and had been enforced, several hundred voters would have walked to the voting booths. As it was, the friends of both candidates employed several machines to get voters to the polls. The automobiles were used principally in the outlying districts and were largely responsible for the heavy vote that was polled.

Hundreds of women taxpayers were taken to the polls in the machines. At the voting booth, corner of Killingsworth and Albina avenues, 95 out of the total vote was cast by women in all of the precincts outside of the downtown business district.

Lents and various other sections of Mt. Scott gave Plummer a good vote. In Lents the vote stood 111 for Plummer to 82 for Beach.

Although defeated, Mr. Plummer carried nine of the 33 voting precincts, including the Yeon building, where a total of 795 votes were cast, the largest vote of the day. Of that total Mr. Plummer received 501 to 294 for Mr. Beach. The other precincts carried by Mr. Plummer were: Portland Heights, Sellwood, Arleta, Montavilla, Rose City Park, Irvington, Kenton and Lents. Mr. Plummer received a flattering vote in Kenton, where the plant of the Union Stockyards Company, with which he is associated as secretary-treasurer, is located. The vote there was: Beach, 29; Plummer 110.

When the vote had been canvassed, the members of the board went through the formality of convening the taxpayers' annual meeting which was adjourned until Friday night, December 27, in the new Lincoln High School building, without transacting any business. At the December meeting the taxpayers will receive the annual report of the Board of Education and vote a tax levy for school purpose for the ensuing year.

ODDFELLOWS ENJOY PLEASANT EVENING

Tuesday evening was another red letter event in the history of Lents Lodge No. 188 I. O. O. F. The occasion was the initiation of a class of eight candidates into the mysteries of the first degree.

The degree work was performed by Woodlawn Lodge and in the manner that elicited profound praise from all who witnessed the ceremonies. Local members who have belonged to the three-linked order for years, say that the work as performed by the Woodlawn team was far superior to any degree work they have ever witnessed. Over 50 members of Woodlawn were present, as well as visiting members from elsewhere and the evening is one that will long be remembered in fraternal circles. Local members are loud in their praise of the work done by the visitors and lose no opportunity in expressing their appreciation for the assistance received.

At the close of the initiation and regular business session the members of the Rebekah lodge served a luncheon that completed an evening of extreme pleasure for all.
