OPEN LETTER TO PASTORS AND SHOPPERS

Inasmuch as the effort to secure a half-holiday on Saturday afternoon has again failed, the labor department of the Woman's Christian Temperance Union take this opportunity to urge every Pastor of the various churches of Portland to bring the matter up before their respective congregations urging all to refrain from all shopping on Saturday after 12 at noon. Not only through July and August but all through the year, and thus give a practical demonstration of "Applied Christianity." We desire also to remind all members of the white ribbon army, of the regular plan of work of the labor department as it relates to the "Ethics of shopping" etc. to-wit;

"We desire our women should study the "Ethics of Christmas Shopping."
Therefore Resolved, The evils of the over-crowded stores, the long, tedious hours of the working girl, demands our prayerful attention.

Therefore Resolved, That we pledge ourselves to refrain from shopping Christmas week, except necessities; that shopping for the holiday season shall be done prior to December 17, thereby observing the "Golden Rule."

We will continue to agitate, educate, to gain a half-holiday on Saturday, and one rest day in seven. Get our own members to pledge not to shop on Saturday afternoon, and furthermore will urge employers to have Monday rather than Saturday as payday. The pay check evil is one of great magnitude, and should be stopped. Let us work to induce all corporations, all employers of men, to pay cash, and not in checks.

Year after year this body of philanthropists have, not only adopted resolutions to refrain from all shopping on Saturday afternoons, but have, hundreds of the rank and file, systematically carried out these resolutions throughout the year.

We earnestly urge all women to join us in "Doing unto others as we would be done by." Let us not only "Resolve" but act and "Do it now lest ye forget."
L. H. ADDITON, Lecturer of National W. C. T. U. Labor Department.
