The Two Things

Necessary to Possess a Bank Account

The first is the Desire or Inclination. Everyone has a wish for money-It is human nature, for it takes money to possess the comforts and necessities of life.

The second requirement is One Dollar or more. The first deposit need not be large and after the first money is deposited, you have a bank account. The size of your bank account rests with you. All we require is good faith, come in and we will explain to you particulars.
