CHERRYVILLE

Cheer up!
The clouds have rolled away.
All records have been broken for
August in Oregon.

Huckleberry picking is now on the
programme and a big crop abounds all
over the mountains.

Mrs. Graham, daughter of Mr. and
Mrs. Dr. Bodkin, of Mt. Tabor, who has
been visiting with her parents here for
some time returned home this week
together with her children.

The "Bull Moose" will get you if you
don't watch out.

The Socialists say that "Teddy is
milking their cow." One thing is quite
obvious, and that is that the great mass
of the people all over the country are li-
able to be stamped by the Bull Moose.
The common people are very much dis-
satisfied with the present state of af-
fairs and are very much inclined to turn
"Bull Mooses" or Socialists.

Mrs. Henry Biedenstein went to Port-
land last week for a week's end visit
with old friends and former acquaint-
ances.

A musicale was given at the home of
Mr. and Mrs. John F. Friel last Wed-
nesday night that was quite generally
attended. The star attraction was a
high class tenor from Portland.

There is a good deal of talk about the
high cost of living nowadays which
practically applies to people in towns.

Here in the country a person can keep
a cow, range free, and on a very small
patch raise enough kale to keep her all
winter, while in a garden here less than
one-fourth of an acre in extent there is
growing far more potatoes, cabbage,
onions, corn, beans, beets, lettuce,
turnips and radishes than an ordinary
family can use in a year, to say nothing
of salsify, swiss chard and parsnips.

People, especially those of limited
means, should keep out of towns unless
they are mechanics and then they can
do better in the country because living
is so much cheaper.

Immense big Chinooks are being
killed at the Hatchery as fast as they
are ready to spawn. These fish are
given away to anyone who calls for
them and most of them are good.

WELCHES

Fine weather is making good roads,
and good roads are bringing many peo-
ple out this way.

Billy Welch returned from Oregon
City with a smiling face, but Mr. Er-
win, the game warden, feels rather blue.

Audie Mitchell is stationed at Camp
Zig Zag with Ray Garwood for a few
days.

Mrs. George Williams, of Sandy, was
taken ill while on her vacation and was
taken to the Good Samaritan Hospital.

Mr. A. Dourghty, of Enola hill, is
very busy hauling freight for E. Col-
man.

There are about 30 guests at Welches'
hotels in spite of the rainy weather we
are having.

friend, Mrs. Steele, just returned to
Portland after a months stay at their
summer cottage near Laurel Lodge.

young trout and putting them in Zig
Zag and Still Creek rivers.

Mr. and Mrs. Sig Knighton and Mr.
and Mrs. Johnson and son, of Gresham,
who have been up to the big meadows
fishing, report fine fishing up there and
also at Clear Lake.

Dr. Devenny and family, climbed Zig
Zag Mt. Sunday bringing back loads of
black berries.

Frank Anderson's wife and brother
are now in their summer cottage at
Welches.

Miss Beattie, of Portland, is visiting
at the home of C. W. Kern at Arrah
Wanah Park.

ROCKWOOD

The Ladies' Aid will serve a ten cent
tea at the home of Grandma McKeown
on the 29th of this month. Everyone
interested in the work is cordially invit-
ed.

Mr. and Mrs. J. Richmond, of this
place, attended a birthday party on
Sunday last given in honor of Mrs.
Richmond's mother, Mrs. Alice Boland,
of Tigerville. About 30 guests were
present. Ice cream and other refresh-
ments were served.

Quite a number from this vicinity are
preparing to take an outing at the hop
fields.

Joe S hantin was last heard from in
New York, his motorcycle having taken
him from Portland to that place.

Mrs. Mathews, of Portland, this week.
They are old time friends.

Master Robert Childers, who has
been spending his vacation in Eastern
Oregon with relatives is expected home
soon.

B. F. Powers, of Sha, Oregon, is
spending a few days looking after his
property here.

Mrs. Martha Cook spent a week with

her husband, who is working at Camas,
Wash.

Mrs. Frank Dickenson is able to be
out again.

Mrs. F. Crane and her two sons,
George and Fred, are sojourning in the
Mountains.

Miss Esther Stentland is staying at
the coast with friends for a few weeks.

LUSTED

The two new stores that has been re-
cently built at Pleasant Home can be
plainly seen from this place.

The recent rain may have damaged
the grain crop some but not as much as
it has benefited other crops. Potatoes
promises to be a large crop.

Miss Marian Robertson is visiting
friends in Portland this week.

Miss Nancy Hosmer, of Troutdale,
visited her sister, Mrs. Fay Tombling,
several days last week.

has been taking an outing near Bull
Run.

here this week on account of the absence
of the superintendent and teachers.

W. H. Hamilton and wife and their
two daughters, Misses Marie and Irma,
visited the former's parents, W. H.
Hamilton Sr. and wife several days re-
turning to St. Johns Monday where they
will make their home. They will occu-
py the property that he purchased from
his father some time ago.

Ed. Senter is building a fine commodi-
ous residence on his farm.

COLUMBIA HEIGHTS

J. Knapp and sister, Flora Knapp,
of Washougal, were guests of the Ben-
field bungalow last week.

Jean Larsen and bride visited at Mrs.
Lottie Benfield's last week for a couple
of days. They left for Grays Harbor
Friday.

F. Bram came home to his ranch last
Sunday. He is engaged in the wood
business at Bull Run.

A watermelon party will be given
next Saturday at Springdale.

County Commissioners Lightner and
Chapman were entertained last Tuesday
by the ladies of the Heights at Lund's
Point. A fine dinner was served and a
pleasant visit with the guests. The
grand view from this point was greatly
enjoyed by all present.

Mrs. James Benfield and little son are
at the present with friends at Garden
Home.

Several of the Heights gentlemen
motored to Portland last week in the
Costner auto.

Tom S. Deaver spent a couple of days
last week at his home here.

Mrs. Taylor is entertaining several
Portland friends this week.

PLEASANT HOME

(Too late for last week)

J. Fitzgerald, while harvesting on the
Hitching place near the depot, chased a
coyett from the grain field. It had
been killing chickens in the vicinity for
months.

Miss Maud Stewart, of Portland, vis-
ited with Miss Stephens Monday. From
Pleasant Home she went to camp at
Bull Run with Alice Stephens, where
Miss Altman's family is spending the
rest of the month—if rain don't drive
them homeward.

Dr. O. S. Murray spent the day at
Bull Run by the babbling brooks, view-
ing the mountains, returning on the 5
o'clock p. m. car well paid for the day's
tramp among the wilds.

Mrs. J. B. Kelley broke camp and is
visiting friends at Tacoma, Washington,
for 10 days, then they go to their home
in San Francisco. J. R. Kelley has an
engagement with the White Auto Co.
in the golden gate city and after that
expires he expects to return to Pleasant
Home and build a residence in the
grove and engage in the fruit raising.

His 35 acres in fruit looks promising.

Mrs. Douglass, and Irene came from
Portland the 14th, and took a load of
furniture to the city. They bought
property on the peninsula and will make
that a permanent home.

Many new homes are springing up of
late, new families coming to occupy
their acre tract, a growing crop of pota-
toes on six different tracts, makes an

WRESTLING BOUT ON FOR FRIDAY NIGHT

After much delay and dickering a
wrestling bout has been arranged be-
tween Frank Ely and Emil Otto and
will be staged in the hall of the Lents
Athletic Club Friday night of this week.
The match is a handicap affair in which
Ely agrees to throw Otto three times in
succession. The winner takes 60 per-
cent of the gross receipts and the loser
nothing.

Ely has wrestled and boxed in various
points of the Northwest and is said to
be an old hand at the game, but nothing
is definitely known of his wrestling
ability. Otto is a local boy and has par-
ticipated in very few matches. He is
the heavier of the two, however, and
with the training he is receiving at the
hands of Walter Ardu, will put up a
good exhibition. Supporters of Ely
claim, and have offered to bet, that he
can throw Otto three times in succession
with ease, while on the other hand,
supporters of Otto have serious doubts if
Ely can throw him at all. No side bet
has been made and the mat men will
wrestle for nothing but the gate receipts.
Both men are confident of winning and
will do all they can to win, which as-
ures a good bout.

The admission charged will be 25 cents
straight.

SUNDAY'S BALL GAME WON BY LOCALS

The fans who witnessed the ball game
last Sunday between the Salem Woolen
Mills team, of Portland, and Lents team
were treated to one of the best games
played on the local diamond in many
months. The contest lasted ten innings
and Lents came out with the long end
of a 1 to 0 score, after a decidedly inter-
esting contest.

The game was not only a pitcher's
battle but a fielding game as well, and
both twirlers were backed up in cham-
pionship style, the lone score coming in
the last half of the tenth frame.

Lund and Boland composed the bat-
tery for Lents and Hoss and Klun for
the visitors. Both twirlers did efficient
work, but Lund had the better of the
argument, allowing only two safe hits,
while the locals garnered seven. Lund
fand 12 men and Hoss 10.

Grimm, Webb, Boland, and Ottie
figured conspicuously with the willow.
Next Sunday the locals play the Port-
land Ravens on Portland grounds.

victims to stomach, liver and kidney
troubles just like other people, with like
results in loss of appetite, backache, ner-
vousness, headache, and tired, listless,
run-down feeling. But there's no need
to feel like that as T. D. Peebles, Henry,
Tenn., proved. "Six bottles of Electric
Bitters" he writes, "did more to give me
new strength and good appetite than all
other stomach remedies I used." So they
help everybody. Its folly to suffer when
this great remedy will help you from

Sallow complexion comes from bil-

fault lies with the liver and bowels—
they are torpid. The medicine that gives
results in such cases is HERBINE. It

lator. Price 50c. Sold by Lents Phar-
