THE misfortunes that overtook the Multnomah County Fair in the week of its last exhibit can only be appreciated by one who has helped to carry the burden of such an undertaking under similar conditions. To have the weather, to oppose three days of the fair is readily comparable with the situation four years ago. We are able to offer our sympathies. Under similar conditions we received little—especially from the individual who headed the undertaking this year, and who must now realize that it's a pretty hard proposition to have to contend with opposing weather not to mention a number of people whom we recall stood in the way of success, himself among the number.

As an exhibit the fair was an improvement over last year. The several collections put up by Pleasant Home, Multnomah, Russellville, Evening Star and Lents Granges, compared well with the various county exhibits at the State fair. The fine domestic science display was mentioned favorably by everyone. The Juvenile department under the direction of Mr. Brugger took a position far in advance of anything ever seen before at this place and is an evidence of good work and a growing interest.

WA. LAFFERTY amused a few of the people of Lents last Friday evening. We say amused, because it could not well have been called an instructive talk. If it was not instructive it was either amusing or tiresome. It may have been instructive to the man who does not read any of the various papers or periodicals of the country—perhaps to some blind person. Its purity was so evident that a good many wondered whether it was an attempt to prepare the coming generation for the ballot or an example of his ordinary style of oratory. Perhaps it was the latter for the proportion of time he devoted to flattering his own personality would indicate that he was merely giving a demonstration of his ordinary style, taste and ability. Lafferty came from Missouri but not all Missourians show the need of improvement so much as he does. A school boy of sixteen should exhibit a better choice of words and happier arrangement. But we suspect he "has went" too long to accept a suggestion. Pity, Oregon again has a chance of being afflicted by his style of personality and statesmanship.

KEEP YOUR EYE on the Sheriff's office. In the whole scheme of local government there is no office more important. It is the balance wheel and moral regulator.

With reports from the grand juries and vice commissions denouncing a situation which is literally under the control of the city administration, the public safety lies in the direction of the Sheriff's office. With the right man there the saturnalia of vice and graft which has marked the city administration of public affairs will be reduced to the minimum.

The administration, to maintain the status quo, proposes to put one of its official family into the Sheriff's office. This is Mr. Fitzgerald, of the police board, which is so largely responsible for the shortcomings of which the public has so justly complained. This would be like jumping

out of the frying pan into the fire.

The situation demands a real man in whom the voters have perfect confidence. One man has been tried and not found wanting. That man is Tom Word, and it is he who should be returned to the Sheriff's office.—Telegram.

LENTS Grange will rejoice at the Saturday meeting when they are to be reported as winning third prize at the County Fair. This success is due to the good work of Mr. Kreuder and the co-operation of W. E. Thomas, Mrs. J. C. McGrew, Mrs. Prince, Mrs. Bodley and Mrs. Spring. Mr. Kruder did most of the work and the display reflects a great credit on his taste in arrangement.

VETERANS FORM NEW ORGANIZATION

The picnic and reunion of the veterans of the Civil War and their friends was pulled-off at Peninsula Park last Saturday, at which time a permanent organization known as the "Veteran Association of Oregon," was organized. All persons who have born arms in defence of our country and secured an honorable discharge are eligible for membership in the organization.

The following officers were elected for the ensuing year: T. B. McDevitt, of Portland, President; H. F. Clyde, of Oregon City, Second Vice President; Deloss D. Neer, Third Vice President; John Huntington, of Lents, Secretary; W. T. Kerr, Portland, Chaplain; J. J. Mallet, of Oregon City, Color Bearer; Comrade Chambers, of Portland, Treasurer.

An executive committee of five, consisting of G. E. Carikins, of Portland; John Ogelsbee, of Portland; I. S. Hamilton, Portland; E. E. Covey, of Woodlawn; H. I. Norden, of Montavilla were elected. Their duty shall be to name the time and place for holding semi-annual reunions and to make all necessary arrangements to carry out the objects of the association.

LENTS BALL PLAYERS ASSIST EAGLES

Al and "Bill" Boland, Walter and Emery Webb, four of Lents' well known baseball players, assisted the Portland Eagles last Sunday in their game against the Portland All-Stars, in which the latter won by the score of 6 to 3. In the run getting the four Lents boys figured conspicuously and in fact were alone responsible for the runs secured by the Eagle team. Emery Webb, one of the best amateur twirlers in the state, was sent to the mound in the eighth inning and held the All-Stars runless, but was unable to overcome the lead.

Robt. F. Chapman and family of La Center, Wash., are visiting friends in Lents. Mr. Chapman recently sold his property on 10th, avenue through a Herald ad.

W. F. Brock and wife and Mrs. Phobe Brock, well known Lents residents who were recently injured in an automobile accident in California, are reported as rapidly recovering and are expected to leave the hospital soon. The latter, owing to her age, has been slower in recovering than the others, but is convalescing rapidly and it is thought will suffer no permanent injuries.

A. F. Marsh, who recently purchased the electric theatre at Millard Ave., has installed a line of confectionery, cigars and tobaccos in the building recently vacated by the Youngen's drug store.

Camphor Laurels in Japan.
There is a stringent law in Japan that when one camphor laurel is cut down another must be planted in its place. The tree is hardy and long lived, attaining to an enormous size. It is covered with a small leaf of a vivid green color. The seed, or berries, grow in clusters, resembling the black currant in size and appearance. And the wood is employed for every purpose, from cabinetmaking to shipbuilding.

START PIG SKIN ROLLING OCT. 13.

The football season of the Archer-Wiggins League opens Sunday, Oct. 13, at which time the Lents eleven meets the F. E. Watkins team on the latter's grounds in South Portland.

The local boys have been practicing faithfully, turning out regularly for the past three weeks and are in good condition.

The Lents eleven is composed of a husky bunch of young men and bid fair to win the silver cup offered by the management of the league, which is composed of several teams.

The management of the local club has been receiving donations for the support of his team and already has received a new standard football and \$10 in cash. More money is needed to put the club on the proper financial basis and it is hoped that all will assist financially, even if it be for only a small amount. It will require money to place the grounds in proper condition, which if accomplished will allow of a larger per cent of the games being played on the local field, thereby increasing the chance of the Lents team winning the championship.

The probable line-up of the eleven for the opening game will be: L. E., W. Barker; L. T., R. Galichio; L. G., Jewel; Center, W. Stevens; R. G., E. Mortrude; R. T., F. Barbagaleta; R. E. Johnson; Quarter, C. Tillman; R. H., "Chuck" Johnson; L. H., "Tennessee;" F. B., W. Porter.

The first game to be played on the Lents gridiron will be announced in next week's Herald.

Saved By His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind. "She insisted on my using Dr. King's New Discovery," writes Mr. F. "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50cts. and \$1.00. Guaranteed by All Dealers.

A WORLD POWER.

(Communicated)

This is what the Woman's Christian Temperance union has grown to be a world power.

That it is a power whose beneficent influence is widening and deepening as the years roll by the great national and world's gatherings abundantly prove. The national convention to be held in Portland October 18th-20th is of vastly more significance than we may realize. Do we realize that it is a part of the world's history in world building. No great gathering has ever been held in Portland covering a larger scope or touching more real "live wires."

The program will be of interest from start to finish. Many of the most eloquent women speakers of the present day will be heard in the pulpits of the city on convention Sunday, the 20th. Rev. Edith Hill Brooker will deliver the convention sermon.

In the afternoon of Sunday there will be a children's rally, Miss Edna Rowan, the gifted national children's leader having charge assisted by Oregon's superintendent Miss Lois Smith and Multnomah's superintendent Mrs. F. M. Gates. It will be a great meeting.

Mrs. Eva Wheeler, the secretary of the Y. B. P. branch will have charge of a great young peoples mass meeting. Mrs. Lillian M. N. Stevens will deliver her annual address at 10 a. m. Saturday the 19th. The executive committee will be entertained at the Mallory and Charlton hotels, but the delegate body will be hospitably housed in private homes. As this delegate body is a large one the entertainment committee finds it necessary to appeal to the good people, not only of West side families, but the East side and rear by suburbs, to open their homes to these distinguished guests. Entertainment is asked for night lodging and breakfast. All willing to entertain communicate at once with Mrs. Mary Mallet 1715 east 11th Portland. The committee on sight-seeing is anxious to have some 200 auto's in line giving the delegates one free trip over the city. Will every one having an auto and willing to join the committee in this bit of hospitality and courtesy please communicate at once with Mrs. Lucia H. Additon, Lents.
