We do not give trading stamps, neither do we offer prizes as a decoy to get your money.

We are not building up our business by expensive advertising schemes, which the customer pays for eventually, but by giving our customers one hundred cents worth for every dollar spent in our store.

When we say Every Article in our store a bargain we are not doing it merely to fill in or to catch your eye, but because we mean it and will back the statement up with our reputation.

A visit at our store will convince you.
