Drives Off A Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt. "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cts. and \$1.00. Trial bottle free at All Dealers.

EXPOSITION STAMPS FOR SALE BY JAN. 1ST.

Panama Pacific International Exposition stamps will be ready for sale by all the post offices by January 1, according to an order issued by the Postmaster General today. Postmasters are notified to make application immediately. They will be issued in sheets of seventy. The order describes the series of stamps as follows:

These stamps measure about three-fourths by one and one-sixteenth inches, the long dimensions being horizontal. At the top appear the words "U. S. Postage" and "San Francisco, 1915." In the left-hand border is a branch of laurel, and in the right-hand border a palm branch.

The one-cent stamp is green and in the center appears within a circle a bust of Balboa, discoverer of the Pacific Ocean, looking to the left and wearing a cuirass and a helmet with a plume.

The two-cent stamp is blue and presents the Golden Gate of San Francisco harbor, with the setting sun in the background.

The ten-cent stamp is dark yellow. The subject is "Discovery of San Francisco Bay."

CANDY SALE.

The home-made candy sale advertised for the 20th, to be held at the school house, will be held on the evening of the 13th at the school entertainment.

Ink Stains.

To remove ink or iodine stains pour boiling starch over them.

A tablespoonful of spirits if turpentine sets most blues.
