Rev. P. Conklin Returned

The members and friends of the Evangelical church are rejoicing over the return to Lents of Rev. P. Conklin as pastor for another year. Rev. Conklin has won the confidence and esteem, not only of his own people but of the people of the entire community. With the aid of his estimable wife much relief has been done among the poor of our district during the past two winters. The church has prospered under his pastorate, more than forty new members being added during the recent revival. With the continuance of this noble leader the future prospects for this church are bright.
