

## CITY SURVEYORS BUSY IN LENTS.

Playgrounds and North Main Street subject of investigation.

City engineers have been busy in and around Lents for the past week. Their appearance began with an investigation of the grade for the Oddfellows building. From that they have been working North. They have surveyed the Playground thoroughly, locating all the points, and marking the trees and the pit. It is supposed that the city park department intends to make large improvements at the playgrounds at an early date. Notice has been sent the Parent-Teacher club officers that a lot of additional apparatus will be added to the grounds this summer. This will tend to make of it an ideal playground. The essential thing will be good supervision. This will have to be supplied by employing some one all the time, as the method of part time as tried last year was very unsatisfactory, much of the material suffering damage, and the grounds were infested with disorderly persons at all times of the night and day, when the supervisors were not there.

Giants, Webb and Shea; Columbia Hd'w., Beeson and Bahler. Hits. Off Webb 11. Off Beeson 14. Errors. Giants 8, Columbia Hd'w., 12. The score was 12 to 8.

## LITTLE MARGARET BULLFINCH CELEBRATES 3rd ANNIVERSARY

Tuesday afternoon, May 20th, quite a number of little Miss Margaret Bullfinch's friends and neighbors called to enjoy with her the 3rd anniversary of her birth. It was sweet to see the dear happy faces and hear their merry laughter as they played "Ring around the rosy" and other games of childhood. Besides friends from Portland those present were Edith and Irene Smithers, Dorothy Allen, Eva and Lyle Walrod, LaRea Rayburn, Dorothy McGruce and Lillian and Lonnie Bullfinch. It was a genuine pink affair, and the decorations were pink carnations. The gifts were numerous and greatly appreciated and enjoyed by the dear little recipient who looked like a fairy in her pink dress and ribbons. Each guest received a nice souvenir of the occasion and one of somewhat larger growth carried away a cute "Snookums" to add to her household treasures.

After a bountiful repast had been enjoyed by old and young, all reluctantly departed to their homes, hoping "Babe" may live to have many birthday celebrations and be always as well and happy as now.

## SUDDEN DEATH OF MRS. D. N. SHEPPERD

The people of the community were much shocked Saturday evening to learn of the death of Mrs. Shepperd of Millard Ave., which occurred very suddenly as she was returning to her home. Altho she had not been well for years. She was feeling much better in the past month and on Wednesday had attended a lecture at Lents given by the Ladies of the G. A. R. She had returned home with an old friend from Grand Ave. N. and remained until Saturday P. M. and had taken the car to her home at first and Yamhill. She was taken very ill and her son and daughter-in-law with the aid of two physicians did all in their power to help her. She passed to the life beyond at 8:30 on May 17.

A large circle of friends will long miss the cheery words and pleasant smile, always ready to welcome them, and the example of a well spent life will long be remembered by all who knew her. Father now within thy keeping Leave we now thy servant sleeping.  
A FRIEND
