ahead at an amazing rate. Among his big possessions lumber takes a leading place and we are among the distributors of the best he produces. So if you are going to do any fixing up for the Fourth or after it come and see us on the lumber end of your plans. We can and will serve you better than any one else.

The Copeland Lumber Company

Be Sure You're Right, Then Go Ahead

Don't paint at all 'till you're sure you've got good paint. You can't undo the damage caused by poor paint after it's on the house. Know the paint you use. Find out something about the manufacturer before you trust his paint.

The Sherwin-Williams Company have been making good paint for over 45 years. They started with a very small building, in a small way. To-day they are the largest Paint and Varnish Manufacturers in the world. Their business has been built upon good paint reputation. You'll be safe in using their paint.
