CHERRYVILLE

Make hay while the sun shines!
The good haying weather of the past
week has been taken advantage of.
The Marquam brothers of Portland
have been out in this vicinity for the
past ten days prospecting for minerals
around the headwaters of Alder creek
and over on Eagle Creek.
Mr. and Mrs. Wm. Webber have
gone over to Sherman to work in the
harvest fields. Mr. Webber will run a
"cembine."
Henry Berdenstein has sold two fine
cows lately for \$75 each. He says
"sell them when they are high and
buy them when they are cheap." Boy
in the breaks and sell on the bulges
just the way brokers play the markets."
Warren Wilkins has been busy for
several days past putting in a fire-
place and building a chimney in Dr.
Boyd's summer home on Prospect
Avenue. The Dr. and some of the
family were out last week and will be

nothing of the up-keep.
A millionaire Page of Oklahoma, has
already adopted 300 poor boys whom
he will educate, not only in book learn-
ing but in useful trades and especially
in agriculture in all its varied
branches. He had better included
some poor girls also and rescued them
from the clutches of sweat shop keep-
ers and white slavers. This is how-
ever a step in the right direction and
is applied christianity with some practi-
cal sense to it.
There was some complaining of the
heat last week, but nobody was pro-
strated and the nights were always cool
so that everyone could sleep, while in
the East and middle West people are
suffering and dying from the heat.

Rid Your Children of Worms

You can change fretful, ill-tempered
children into healthy, happy youngsters,

The King of All Laxatives

For constipation, headaches, indiges-
tion and dyspepsia, use Dr. King's
New Life Pills. Paul Mathulka, of
Buffalo, N. Y., says they are the "King
of all laxatives. They are a blessing to
all my family and I always keep a box
at home." Get a box and get well.
Price 25c. Recommended by all
druggists.

Deafness Cannot Be Cured

by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
deafness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed con-
dition of the mucous surfaces.

For Cuts, Burns and Bruises

In every home there should be a box
of Bucklen's Arnica Save, ready to
apply in every case of burns, cuts
wounds or scalds. J. H. Polanco, Del-
valle, Tex., R. No 2, writes: "Bucklen's
Arnica Save saved my little girl's cut
foot. No one believed it could be
cured." The world's best salve. Only
25c. Recommended by all druggists.
