Removing Mildew Stains.

Soaking mildew stains in buttermilk or sour milk will many times remove them, but not always. Try a solution of one heaping teaspoonful of chloride of lime to a quart of soft water; strain when well dissolved and dip the mildewed spots in it until the stains disappear, then rinse immediately and thoroughly in clear water.

Mothers will find Mrs. Winstow's Soothing Syrup the best remedy to use for their children Luring the teething period.

All Need Forgiveness.

He that cannot forgive others breaks the bridge over which he must himself pass, for every man has need to be forgiven.-Lord Herbert.

Emergency Plea.
