In one of the fastest games played on the home lot this season, the Lents Giants whipped the Acme Mills League team to a standstill. Manager Willis of the visitors had the pick of the city, but when he thought he had a snap, he failed to reckon with his Royal Highness Webb. The Giant was in superb form and at no stage was he in danger. Bill Boland was all to the good behind the bat, and the patched team Manager Forte assembled did fine, White playing a stellar game at first. They all played good that's why we won. Hyronimus, for the visitors whiffed nine men and Webb struck out the same number. Score 6 to 4 in favor of Lents. Next Sunday St. Marys play on the local diamond and you will see some fast game. Possibly the city championship games will be played on the local grounds, so come out and get the grouch out of your system.
