**Unique Field Day.**  
A rather unusual way to celebrate a grangers' field day was that employed at Westwood, Mass. After an illustrated lecture on clearing rock covered fields by dynamite a demonstration was given in a pasture field. The dynamite was applied to a great rock, which was torn from its moorings and thrown high in the air. One section, weighing about thirty pounds, crashed through the roof of an adjoining cottage, but no one was in the house at the time.

**Strengthen Weak Kidneys**  
Don't suffer longer with weak kidneys. You can get prompt relief by taking Electric Bitters, that wonderful remedy praised by women everywhere. Start with a bottle today, you will soon feel like a new woman with ambition to work, without fear of pain. Mr. John Dowling of San Francisco, writes:—"Gratitude for the wonderful effect of Electric Bitters prompts me to write. It cured my wife when all else failed." Good for the liver as well. Nothing better for indigestion or biliousness. Price, 50c and \$1.00 at all druggists.
