

**DON'T LET BABY SUFFER WITH ECZEMA AND SKIN ERUPTIONS**

Babies need a perfect skin-covering. Skin eruptions cause them not only intense suffering, but hinder their growth. DR. HOBSON'S ECZEMA OINTMENT can be relied on for relief and permanent cure of suffering babies whose skin eruptions have made their life miserable. "Our baby was afflicted with breaking out of the skin all over the face and scalp. Doctors and skin specialists failed to help. We tried Dr. Hobson's Eczema Ointment and were overjoyed to see baby completely cured before one box was used" writes Mrs. Strubler, Dubaque, Iowa. All druggists, or by mail, 50c.

The house and furniture were insured, and the damage to the house is not expected to exceed \$200, while the damage to the furniture is only from removing it. Sunday—Extra Musical Features

It is the duty of parents and teachers to look to the care of the childrens' eyes. Many seem dull and do not like to study, and wrongly accused of being numbskulls. In a great many cases it is naught else but defective eyesight, and they grow to manhood and womanhood dull and stupid, never suspecting that their eyes were the cause of their aversion to study and activity. I use special instruments and special methods for examination of the childrens eyes and can correct with certainty any error of vision.
