Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. Which tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
 Use Dr. King's New Discovery for Catarrh of the Eustachian Tube. It cures it. It cannot be cured by any other remedy. Send for circulars, free.
 P. J. CONNELLY, & CO., Toledo, Ohio.
 Beware of cheap imitations.
 Take Dr. King's Family Pills for constipation.

A Consumptive Cough
 A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery will stop the cough, loosen the chest, banish fever and let you sleep peacefully. The first dose checks the symptoms and gives prompt relief. Mrs. A. F. Mertz, of Glen Ellyn, Iowa, writes: "Dr. King's New Discovery cured a stubborn cough after six weeks' doctoring failed to help." Try it, as it will do the same for you. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c. & \$1.00. All druggists, by mail, H. E. Bucklen & Philadelphia or St. Louis.
