# The Season's Greetings

From The Mt. Scott Drug Company

The opportunity warrants an acknowledgement of our appreciation of the liberal support the people of Lents and the neighboring country have given us during the past year. The year has been a prosperous one. We feel that the success it has brought to us is due to your kindly support. To meet that support and be the better able to offer you a considerate service we have enlarged our business, provided more roomy quarters, better display room, and selected a stock suitable to the tastes and requirement of the many patrons of our store. We shall be pleased to greet you during the holiday season in our new location, and to have the pleasure of your patronage during the year.
