## All Blood Disorders Quickly Driven Away

Astonishing Results With the Greatest Blood Purifier Ever Discovered.

**Strength, Power, Accomplishment** are all typified in **S. S. S.**

Some blood disorders become deeply rooted in the glands and tissues, and the mistake is made of resorting to drastic drugs. These only aggravate by causing other and worse troubles. A host of people know this to be true. They know from painful experience.

To get right down into where the blood is vitiated requires **S. S. S.** the greatest blood purifier ever discovered.

This remarkable remedy contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment and the medicinal elements of this matchless blood purifier are just as essential to well balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food.

Not only this, but if from the presence of some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kindred troubles, **S. S. S.** so directs the local cells that this poison is rejected and eliminated from their presence.

Then, too, **S. S. S.** has such specific stimulation on these local cells as to preserve their mutual welfare and a proper relative assistance to each other.

In a very brief time **S. S. S.** has the reconstructive process so under control that remarkable changes are observed. All eruptive places heal, mysterious pains and aches have disappeared, and from head to foot there is a conscious sensation of renewed health.

From the fact that **S. S. S.** is purely a botanical preparation, it is accepted by the weakest stomach and has great tonic influence. Not one drop of drugs or minerals is used in its preparation. Ask for **S. S. S.** and insist upon having it. And if you desire skillful advice upon any matter concerning the blood and skin write to **The Swift Specific Co.**, 235 Swift Bldg., Atlanta, Ga. Do not allow some zealous clerk to larrup the atmosphere in eloquence over something "just as good" as **S. S. S.** Beware of all counterfeits.

## An Idea for Wives.

"Dearie," said the young married man, "I have to go to New York on business. It will only take a day or so and I hope you won't miss me too much while I'm gone, but—"

"I don't," answered his young wife, positively, "because I'm going with you."

"I wish you could, dear, but it won't be convenient this time. What would you want to go for, anyhow? I'm going to be too busy to be with you, and—"

"I have to go. I need clothes."

"But, darling—you can get all the clothes you want right here on Euclid avenue."

"Thank you. That's all I wanted."

—Cleveland Plain Dealer.

## WOMEN SUBJECT TO KIDNEY TROUBLES

I beg to say that I have been a constant sufferer with severe pains in my back and was on the verge of nervous prostration resulting from kidney trouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until I was completely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles.

Very truly yours,  
**MRS. ALVA BAXTER,**  
407 Cypress St., Orange, Texas

Subscribed and sworn to before me this 21st day of March, 1912.  
**JOHN J. BALL,**  
Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You  
Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention this paper. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

## GOOD DINNER DISHES

OF MEAT OR FISH, AS THE FAMILY MAY PREFER.

**Best Method of Frying Chicken, American Style—Beef and Ham Pie—Mackerel, Creamed or Baked, Will Be Found Excellent.**

**Fried Chicken**—Cut the chicken into pieces for serving. Boil in flour, or, if preferred, in beaten egg and crumbs. Heat one cup nice dripping or lard, one teaspoon salt, and one saltspoon pepper; lay in the pieces and fry brown on each side, allowing not less than twenty minutes for the thickest pieces and ten for the thin ones. Lay on a hot platter, and make a gravy by adding one tablespoonful flour to the fat, stirring smooth, and adding slowly one cup boiling water or stock. Strain over the chicken. Milk or cream may be used instead of water.

**Stewed Oxtails**—Cut the tails in two-inch lengths and brown in butter, prepare a brown sauce, season it well and stew all slowly together for two hours. Garnish with tiny milk biscuits.

**Beef and Ham Pie**—Use raw ham and dice both meats, line the dish with a rich biscuit, fill with the meat and a high seasoning, about one-half cup chopped potato, small bits of the crust, and one cup rich gravy. Bake in a moderate oven, and just before serving pour in a cupful or more of piping hot gravy.

**Oyster Pie**—Line a vegetable dish with mashed potatoes. Brush it over with the white of an egg, and put it in the oven to brown lightly. Take two dozen oysters, half a pint of milk, one tablespoonful of butter, pepper and salt to taste. Let it come to a boil and thicken with a heaping teaspoonful of flour and put into the space left in the vegetable dish.

**Creamed Salt Mackerel**—Soak the fish overnight and wipe dry before using. Broil on a buttered gridiron over a clear fire. Lay on a hot dish and pour over it a cream sauce made as follows: Into one cupful of boiling water stir two teaspoonfuls of cornstarch, rubbed smooth with one tablespoonful of butter; cook until well thickened. Add a well-beaten egg, mixing carefully to prevent curdling. Cook a moment longer, season with a tablespoonful of chopped parsley and a saltspoonful of pepper.

**Baked Salt Mackerel**—Salt mackerel are neither so plentiful nor as cheap as they were twenty-five years ago, but occasionally a baked one fills the demand for something different. Soak the fish overnight in a large amount of cold water, with the flesh side turned down. Wipe dry, lay in a baking pan, add one cupful of milk and set in the oven. Bake about twenty-five minutes, put on a hot dish, butter lightly and garnish with sliced lemon.

## COLD IN HEAD CATARRH

INSTANTLY RELIEVED BY THE OLD DR. MARSHALL'S CATARRH SNUFF

25¢ at all drug stores or sent free by mail on receipt of 25¢ in cash.

**SOUR, ACID STOMACHS, GASES OR INDIGESTION**

Each "Pape's Diapepsin" Digests 3000 grains food, ending all stomach misery in five minutes.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach remedy in the whole world and besides it is harmless. Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder. It's the quickest, surest and most harmless stomach doctor in the world.

**What He Feared.**  
Mrs. Capron informed her husband one morning that she expected a party of guests that afternoon. Immediately Mr. Capron arose and put all the umbrellas away, much to his wife's astonishment.

"Why, Walter, do you fear my guests will steal your umbrellas?" she asked in an injured tone.

"No," said Walter, as he closed the closet door. "I'm afraid they'll recognize them."—Washington Herald.

Designed for feminine use is a new hand mirror fitted with an electric light at one end, current being supplied by a storage battery contained in the handle.

**Maple Frosting.**  
Here is a tested recipe for maple frosting: Break a half pound of soft maple sugar into small pieces and put into a saucepan with half a cupful of boiling water. Stir occasionally until the sugar is dissolved, and boil without stirring until the sirup will thread when dropped from the tip of a spoon. Pour gradually on the beaten whites of two eggs, beating constantly, and continue heating until the mixture is of the right consistency for spreading.—E. V. B.

**Cream of Chicken Soup.**  
Break up the chicken carcass left from the previous day, add bits of skin and barley, cover with cold water, cook slowly on the back of stove or simmering burner for an hour or more, then drain off liquor, add an equal amount of milk and thicken with flour and butter rubbed together. A little cooked rice or macaroni improves this economical and delicious soup.

**Quick Coffee Bread.**  
One quart of flour, one level teaspoonful of salt, two teaspoonfuls of baking powder, five eggs well beaten with two tablespoonfuls of sugar, one pint of milk and two tablespoonfuls of softened butter. Beat well, spread in a pan and sprinkle sugar, a little cinnamon and bits of butter on top, and bake in a quick oven.

**To Keep Salt From Clogging.**  
If a little cornstarch is mixed with salt before being put into the shaker it will keep it from clogging.

## VALUE OF PASTURING

Result of Experiments With Forage Crops for Swine.

**Alfalfa Proved to Be Most Satisfactory at the Iowa Station, Furnishing Pasture Most Constantly of All Crops Tried.**

(By W. C. PALMER, North Dakota Agricultural College.)  
The profits in hog raising come largely through pasturing. The Iowa experiment station in bulletin No. 136 reports the result of experiments with forage crops for swine. It was found that the profits from grazing an acre of alfalfa in 1911 was, with corn at 50 cents and hogs selling at five cents, \$65.99; hogs, at six cents, \$97.09. The cost per 100 pounds of pork was but \$2.88. In 1909, the profit was \$23.62 with hogs at five cents, and \$46.29 when hogs sold at six cents.

In 1909, clover when grazed with hogs returned a profit of \$32.34, hogs selling at five cents, and \$57.07, at six cents. In 1910, the clover pasture returned \$28.82, and \$61.20 with hogs at five and six cents.

In 1909, rape returned \$27.50 and \$47.47 with hogs at five and six cents respectively; in 1910, \$37.51 and \$68.64. In 1910, sweet clover returned \$42.07 and \$74.50 with hogs at five and six cents; in 1911, \$23.46 and \$39.50. Oats pasture returned \$15.33 and \$32.53, with hogs at five and six cents respectively. In 1909, oats, Canada field peas and rape returned \$22.83 and \$43.86, with hogs at five and six cents. In 1911, three different lots returned \$53.45, \$39.52 and \$64.63 each with hogs at five and six cents. In 1909, the returns from blue grass were \$15.23 per acre, with hogs at five cents, and \$31.85 at six cents.

In all the trials corn was fed and charged at 50 cents a bushel. Land rent was charged at six dollars per acre. All costs of producing the crop were figured in. Some meat meal was fed. This was charged at two and one-half cents a pound. Alfalfa proved to be the most satisfactory. It furnished pasture the most constantly of the crops tried. Sweet clover was satisfactory the first year, but grew too rank the second year.

The results of these experiments should mean a good deal to North Dakota. The season is a little shorter, but this is in a measure offset with lower land rents. It is necessary to keep in mind that some grain needs to be fed the hogs in addition to the forage. When the pasture is alfalfa, corn is a good grain to use.

## THREE RULES FOR FEEDING

Make a Mixture of Grains and Other Concentrates and Give in Proportion to Daily Milk Yield.

It is not practical to spend the time necessary under ordinary conditions to figure out an extra ration for each individual cow. It is practicable, however, to make a mixture of grains and other concentrates and to feed each cow from this grain mixture in proportion to her daily milk yield, and then to give her all the roughage she will eat up clean, and be reasonably sure that she has had all the food she needs to produce milk to the limit of her ability under ordinary conditions. The following rules of feeding are suggested by the Pennsylvania station:

1. Feed grain in proportion to milk yield, that is, give her, for example, one pound of grain mixture a day for each three or four pounds of milk produced in one day.

2. Feed all the roughage that the cow will eat up clean, up to the point where she gains too much weight.

3. Whenever she becomes too fat, reduce the amount of roughage, leaving the amount of grain to be determined by the milk yield.

When a cow leaves uneaten either grain or roughage which is free from mold, dirt or foreign material, it should be removed immediately, the manger swept clean and a much smaller amount given until her appetite returns, as evidenced by the cleaning up of her manger.

**Windows for the Barn.**  
The horse stable should contain windows on all sides for a good circulation of air, and the stable doors should be arranged to be left open on all hot nights and at all times when the animals are feeding or resting in their stalls. The horse is always more or less heated after a day's work, and it cannot rest well until it has fully cooled off.

**Pays to Cull the Sows.**  
When the breeder culls out his sows that produce stock that never attains good size; when he promptly sends to the block the sow with small litters; when he gets out of his herd the peevish hogs and the hogs of low vitality, then he will hear less about the relative advantage of the crossbred hog.

## Hotel Washington

Washington Street, Corner of Twelfth.  
CHAS. H. ROWLEY, Manager.

Special Rates by week or month. Bus to and from trains and boats, or take a Depot car to Washington St. and transfer, get off at Twelfth Street. European plan, 150 outside rooms. A solar physics laboratory is to be created in New Zealand, at Nelson. The site will probably be on a summit known as the Fringe, which has an elevation of 2500 feet above sea level.

China's first cotton mill was built in 1891. Now it has 34 in operation.

In Wisconsin 72 towns have entered a statewide social center organization.

## A WOMAN'S PROBLEM

In the locking-glass a woman often sees wrinkles, hollow circles under eyes, "crow's feet"—all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Backache, headache, pains, lassitude, nervousness and drains upon vitality—bring untold suffering to womanhood and the face shows it. The nervous system and the entire womanly make-up feels the tonic effect of

## DR. PIERCE'S FAVORITE PRESCRIPTION!

It allays and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency. Known everywhere and for over 40 years as the standard remedy for the diseases of women. Your dealer in medicines sells it in liquid or sugar-coated tablet form; or you can send 50 one-cent stamps for a trial box of Dr. Pierce's Favorite Prescription tablets. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

## DR. PIERCE'S PLEASANT PELLETS REGULATE AND INVIGORATE STOMACH, LIVER AND BOWELS. SUGAR-COATED TINY GRANULES.

**GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD**  
Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Learned at Reform School.  
Mrs. Goodsole—Didn't you learn to be a good citizen in the reform school?  
Everett Wrest—Yes'm I learnt it theoretically, but I ain't had no practice.—Houston Post.

The French military authorities have succeeded in making a man-carrying kite.

The Speechless Movie.  
"You seem fond of moving pictures."  
"For a change," replied Miss Cayenne. "It is one of the few forms of theatrical entertainment where you are sure there won't be dialogue containing profanity."—Washington Star.

Perhaps it is better for a man to brag of his prosperity than to tell of his troubles.—New Orleans Picayune.

Large deposits of sulphur have been found in southern Texas and are to be developed in a similar manner to the Louisiana sulphur fields.

There are 23,244 postoffices in Great Britain.

## Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

**Read this one from Mrs. Waters:**  
CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 1135 Knight St., Camden, N.J.

**And this one from Mrs. Haddock:**  
UTICA, OKLA.—"I was weak and nervous, not able to do my work and scarcely able to be on my feet. I had backache, headache, palpitation of the heart, trouble with my bowels, and inflammation. Since taking the Lydia E. Pinkham's Vegetable Compound I am better than I have been for twenty years. I think it is a wonderful medicine and I have recommended it to others."—Mrs. MARY ANN HADDOCK, Utica, Oklahoma.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
