I'm on the Lookout

for painting jobs. Are you looking for a painter? Let us get together and have a talk. I can tell you what it will cost you, can suggest color schemes and will tell you what materials I use. I mix my own paint after studying the conditions of the surface to be painted. These conditions have a direct bearing on the way the paint should be mixed.

I USE Selby "Dutch Boy" White Lead and pure linseed oil. I consider paint made from these materials to be the best.
