

DEMOCRATIC NATIONAL

TICKET!

FOR PRESIDENT, GEN. WINFIELD S. HANCOCK.

PRESIDENTIAL ELECTORS, T. G. OWEN, of Coos County, JAS. FULTON, of Wasco County, J. K. WEATHERFORD, of Linn County.

THE NOMINATION!

The Democratic nomination for President is a most judicious one. General Hancock is a man whose patriotism, loyalty, and honesty is beyond question or cavil.

INSANE ASYLUM.

When the animus of party is evoked to aid in supporting and perpetuating its principles, the disinterested observer is ready to accept that spirit the basis of sincerity.

Dr. Hawthorne receives only \$5.50 per week for each inmate. He furnishes a nutritious and plentiful table, maintains cleanliness and other sanitary measures in the highest degree.

A lavish hand provides for every want. For instance, he employs two regular graduates of medicine to devote their time to the insane, besides being himself a physician.

The N. P. R. R. field hospital, now located at Providence Lake, will soon be removed to the head of Colville, or what is more familiarly known as Big Lake.

HANCOCK and English will surely win in November.

GARFIELD'S NOMINATION.

The success of Garfield's treasury to John Sherman are becoming more apparent from day to day. Garfield is an ambitious man, not devoid of vanity.

Many of the delegates have returned from the convention to-day. The friends of Blaine and Grant are in bad temper, and the few delegates who had Sherman's cause really at heart are disgusted.

REPUBLICAN ACTION ON THE SUPREMACY PLATFORM.

To read the comments of the Republican organs on the frail Chinese plank in their National platform made at Chicago, one would be led to believe that it suited the most zealous of their party on this coast of Chinese tendency.

The N. P. R. R. field hospital, now located at Providence Lake, will soon be removed to the head of Colville, or what is more familiarly known as Big Lake.

RAILROAD.

When Mr. Villard was here some time ago he expressed the utmost astonishment that the terminus of the branch railroad from Whitman should be at Blue Mountain and not at Westou.

BLALOCK PRECINCT.

What is the reason the voters of this precinct did not have the privilege of voting? Enough has been said to call for an explanation, and the suspicion that there is a "nigger in the fence," is daily gaining ground.

THE New York Graphic is authority for this: "Ex-Governor Dorshiemer who was temporary chairman of the Kelly Convention at Syracuse, has publicly stated within a few days that there will be no division of the Democrats of that State this year, but that the nominee at Cincinnati will be supported, who ever he is.

We are informed by reliable parties that a flouring mill is to be built near Platt's, on the Tukanon. The contract is let, and work will commence soon.

There is no use in attempting to disguise the fact that there are myriads of grasshoppers in and about Dayton. Already farmers are reporting that they are being considerably damaged by these pests.

PORTLAND is again threatened with high water. It promises to be worse than in 1876.

THE article on the first page relative to Gen. Garfield, should be credited to the Portland Standard.

There are 3250 people east of the Tukanon.—Dayton News.
