LOCAL LEADERS.

TRAVEL.—About forty emigrant wagons passed through Weston yesterday, still going further northwest.

LANDLORD.—T. J. Lucy, our Mayor, is at present proprietor of the hotel at that popular summer resort, the Warm Springs.

HOME.—J. T. Redman and wife, we are pleased to say, have returned to Weston. They were detained by the high water of the Columbia. Welcome.

STREET SPRINKLER.—The dusty season is upon us, and the council has determined to assist in keeping down the dust by furnishing a sprinkler for that purpose.

GRANDE RONDE.—Crops of all kinds in this valley are most promising. Business is lively, and the prospects generally are good. The road by the Warm Springs is in good repair, and much traveled.

DEVISION.—The subject of dividing the county is agitating the public mind as much as ever. There is a good prospect of at least two distinct lines being advocated as the boundary of the new county from the north-eastern portion.

FUN.—Jolly boiled down to an essence consists in meeting about twenty good-hearted, jovial fellows, and making the air uproarious with merriment until you find that, surfeited with glee, the merry-makers have stolen off to bed. "We'll laugh," etc.

MOSQUITOES.—A couple of our leading citizens, bent on business, concluded they would go up on the mountain just east of the city, and stay all night in the timber. Well, the mosquitoes buzzed and hummed in such astonishing numbers that our friends could not wait to tell it, and they hurried home the same evening.

PERSONAL.—Dr. J. J. McDonald, of Island City, Union county, spent a few days in the city visiting friends. He has been impetioned to locate on this side of the mountains. The Dr. is an efficient physician and a thorough gentleman, as well as a life-long Democrat. Success to him.

SIGNERS.—Nearly 300 signers in Weston precinct to the petition adopted at the Centerville meeting for the Division of Umattilla county. Let the good work go on, and let the people of all the county petition for the line they favor, and then let the majority rule.

IMPORTANT.—When you visit Walla Walla be sure and call at the San Francisco Restaurant on the north side of Main street. Messrs. Brust & Cranston, the proprietors, spread the best table in the city. Don't fail to give them a trial. Everything about the place is neat, clean and attractive.

MARBLE WORKS.—D. J. Coleman, Walla Walla, is proprietor of the Marble Works, and prepared to furnish Head Stones, Monuments and everything else in his line, at reasonable rates. B. F. Mansfield is agent for Centerville and Weston, and is authorized to take orders and give receipts.

THE BEST WAY TO KILL SQUIRREL.—Provide yourself with a package of Holme's Squirrel Poison and have all the boys and girls go after 'em. It will clean them out sure. Put up in large packages and is the cheapest and best in the market. Made and for sale by H. E. Holmes, Druggist, Walla Walla, or to be had from your nearest Druggist.

W. G. JAMESON.—Watch-maker and jeweler, corner Main and 3d St. Walla Walla solicits your patronage.—Having 17 years practical experience and keeping competent workmen in his employ, is prepared to do watch repairing, jewelry work, seal cutting etc, promptly and at reasonable prices. Watches, Clocks, Spectacles always in stock and sold cheaper than any other store in Walla Walla.

Picnic and Celebration.

On Monday last some of our citizens, pursuant to a plan formed on the preceding Saturday, determined to celebrate the glorious Fourth in a social way. Picnic style was resolved upon, and Miller's grove, up Pine Creek, was selected as the place.

The willow's harp they sweetly play. The songsters of the grove warbled incessantly their tribute of praise and gladness, and when the merry laugh of happy children was added thereto, it became truly a joyous scene.

To-day is the time announced by the Pendleton papers for the meeting from the various precincts to agree on a line for the division of Umattilla county. We trust that something may result from it.

CITY HALL.—A project to build a city hall is being considered by some of our leading citizens. There seems to be a disposition on the part of property owners to donate some lots to aid the undertaking.

ONE day last week a customer came into one of our stores and asked for "two bits worth of dialogue." The gentleman in attendance looked politely puzzled, whereupon the customer explained, "two bits worth of dialogue to dye black with."

AND next comes the Northwest Tribune, published at Colfax, W. T., asking for patronage as an independent paper. It is well filled; and shows care and ability.

CENSUS.—The enumerators have finished their labors. If any one has been missed, they should see to it that they are counted. Hon. J. S. White will be at Pendleton on July 12 and 13th, and any one whom he has missed should write to him there, giving his name, age and occupation.

RELIGIOUS.—The Rev. Burnett will preach at the Baptist church, Weston, the second Sabbath in the month at 11 A. M., and 4 P. M. The Rev. Mr. Rigby at same place on the 3d Sunday in the month. The Rev. E. P. Warren at Centerville on the 3d Sunday at 11 A. M., and 4 P. M.

ARRIVED.—Fly paper, insect powder, genuine fruit wax, axle grease, and a great variety of medicines and notions at the City Drug Store. Everything at bedrock prices.

THE OREGON KIDNEY TEA.

Read the following testimonials, not from persons 3,000 miles away, whom no one knows, but from well-known and trust-worthy Citizens of Oregon, whose names, written with their own hands, can be seen at our office:

SALEM, OREGON, JANUARY 18, 1880. I bought a can of the OREGON KIDNEY TEA and have used only a part of it, but my back-ache is entirely cured. It has a splendid effect upon the urinary organs.

SILVERTON, MARCH 20, 1880. I have used the OREGON KIDNEY TEA for pains in the back and am satisfied with its effects. I have no hesitancy in recommending it as a mild and safe remedy for lame back or derangement of the kidneys.

A GOOD THING.—German Syrup is the special prescription of Dr. A. Boschee, a celebrated German Physician, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures coughs, colds and all lung troubles of the severest nature, removing, as it does, the affection and leaving the parts in a strong and healthy condition.

WE are in receipt of the eleventh annual catalogue of St. Helen's Hall, Portland, an institution of learning for girls. "The constant aim being to give a sound and practical education, and to surround the pupils with a refined Christian home and intercourse."

INSTALLATION.—On Thursday evening the following officers of Weston Lodge No. 58, I. O. O. F., were duly installed by D. D. G. M. J. Talbert: W T Williamson, N G; B F Mansfield, V G; P A Worthington, R S; A B Hendrick, T; E W Morrison, C; Freed, W; Geo Mansfield, Con; F W Johns, R S S; E M Purinton, L S S.

MILTON.—The following members of Milton Lodge No. — I. O. O. F., were duly installed by D. D. G. M. Jonathan Talbert: Wm. Talbert, N. G.; John Duxan, V. G.; J. H. Wright, R. S. The ceremony occurred on Saturday, the 3d. This lodge is in a prosperous and harmonious condition.

WE call attention to the ad of Dr. H. R. Alden, dentist, formerly of Portland. The Dr. was compelled to leave a large and lucrative practice in Portland and remove to Walla Walla for the benefit of his and his mother's health which, we are happy to say, has greatly improved. Dr. Alden is a genial gentleman and a good dentist; he will remain in Walla Walla until Dec 1st when he will depart for Portland to be absent about five months.

Most of the business houses in Portland will close at 8 o'clock on and after the 12th during the summer, and at 7 o'clock in the winter. The clerks have formed an association of over two hundred members, and pledged themselves to work for no firm that will not close at the prescribed time. The movement promises to be a success.

DON'T.—The Pendleton Tribune quotes, that "Garfield is as simple as a child," with much gusto. It's really too bad for his own friends to pitch into him that way.

DIVIDE.—Three petitions are now going the rounds, for as many bridges,—one at Brassfield Ferry, one at Franklin's Ford and one on Mr. D. Coffman's place. Oh for Division!
