Have you paid your school tax?

French and American candies at Pauly's.

Miss Griffin, we are pleased to say, is again convalescent.

For well sewed gloves enquire for Mills & Leak's make at Saling & Reese's.

Kelly's "Sunrise" Coal is the boss. They keep it at the City Drug store.

For Holiday goods and toys go to Fred Pauly.

IN TOWN.—We notice on the streets the smiling phiz of Peter Hjelseng.

VOYAGE.—Joe Lennox is contemplating a trip to the Sandwish Islands.

TAXES.—The Sheriff will be here on Dec. 31st and Jan 1st. Prepare for him.

PERUSE.—Read Steen's reply to Kelley's production on the division question.

HELIX.—This village of Greasewood has a store, school house and post office.

The place to get a nice present for your friends is Pauly's.

For good, durable Buck gloves, buy Mills & Leak's make. For sale by Saling & Reese.

GAME.—During the snow storm rabbits and prairie chickens were slaughtered in abundance.

Wehfoot oil is the chief in putrid sore throat or diphtheria. For sale by McColl and Miller.

LATE.—Sorry that we went to press before ye olde folkes concerte, but will report it next week.

FOR SALE.—200 acres of deeded land for $1400. For particulars apply to LEADER office.

DANCING.—Fiddling and dancing and serving the ——. Well parties are all the rage now.

ELEGANT.—Look out for the Masonic Ball on the 27th. It will be got up in elegant style.

LECTURES.—Why can't Weston have a series of lectures between now and the ides of April.

OFFICE.—Mac now complains that his hat is too small for him. Funny how office affects some people.

Fred Pauly keeps the best kind of tobacco and cigars, as "Henry's Own," "Wood and Nickel Tag," "Lorillards" and "Venerables" red tag.

EMPTY.—Our calaboose has not had an occupant for a long time. This speaks well for the place.

STOVES AND TINWARE.—Go to the Tinner at Walla Walla, opposite Odd Fellows' Temple for bargains.

SICKNESS.—Some sickness exists in the surrounding country, though there is nothing of a serious nature.

HURT.—Jas. Bamford had a fall from a scaffold which temporarily housed him up. But he is all right again.

CHRISTMAS.—Pauly's Christmas goods arrived Thursday. The sweetest thing in the world is his pure honey.

MEASLES.—This disease, in rather a mild form, is prevalent in the city. It interferes with the schools somewhat.

NOCTURNAL.—Boys, what became of the night School? Did you find something more interesting to study than Grammar.

HALO HOUSE.—Mr. Simpson, the barber has rented Dr. Epperson's house. There is now a vacant dwelling in the city.

PREPARING.—The old hardware shop is being renovated and fitted up in good style for our new Drug Store. Onward we move.

BOOKS.—If you need anything in the way of books send to J. B. Lewis, Walla Walla, and your orders will be promptly attended to.

SCHOOL.—Miss Carmichael is teaching at Walker's school house on Dry Creek. The average attendance is good and the satisfaction general.

CHINOOK.—The warm wind that favored the valley of Pine Creek has not been very extensive in its benign influence, as we can see snow all sides of us.

PROFESSIONAL.—Dr. Eagan made a flying trip to Pendleton during the week, on professional business. He reports matters as lively at the County seat.

ICE.—Did anyone put away ice for the time when chinooks are not in demand, or are the thoughts of this cold snap going to keep us cool all next Summer?

COLD.—The Rev. J. D. McConkey did not attempt to face the cold on Sunday last, but wisely remained at Walla Walla. At best his trip is a hard one.

FLYING.—The political streamers at Centerville are still flying at the respective headquarters, probably awaiting the official count to know which one to haul down.

HATS.—The advantage in buying from Goldman Bro.'s is, that they are practical hatters and thus cannot fail to fit you. They keep gentlemen's goods of all kinds.

MEETINGS.—Rev. H. W. Pruett of the First Baptist Church of this place, assisted by Elders Brooks and Jones, held a series of interesting meetings during the past week.

DIRECTORY.—The newspaper Directory, issued by Geo. P. Rowell & Co., of New York is the most complete we have yet seen. The same house will soon issue another for 1881.

PROGNOSTICATOR.—This is a kind of prophetic weather clerk which you may purchase from Mr. Steele at the stage office. It has a thermometer attached to regulate the temperature.

MORE YET.—Opposition is the life of trade, says the Scandinavian Philosoper. Now we have an opposition boot and shoe shop. Plenty of good openings for lucrative business left here yet.

NOTICE.—Dr. Ida E. Andrews wishes to inform the ladies of Weston and vicinity that she may be consulted at the parlor of the St. John Hotel. Dr. Andrews will remain in the city for some time.

ANOTHER.—The people of School District No. 65, are about to organize a debating society. There is nothing like developing the latent oratorical powers of our embryotic statesmen.

DO, RE, MI, FAWH.—You that can sing, and you that would like to learn, remember that A. E. Freed will organize a Singing class at Dealy's Hall, 7 30 P. M. on Monday the 13th. Everybody invited.

GROCERIES.—Plants & Mackay, whose ad. appears elsewhere are making a specialty of groceries. When you go to Walla Walla don't forget that their place of business is in Odd Fellows' Temple, on Main street.

Z. K. Straight has the finest Jewelry Store in Walla Walla and does not carry any plated jewelry. Any one wanting something nice for the holidays cannot do better than call on him. Main street opposite St. Louis Hotel.

I. O. O. F.—The following officers were elected for 1881, in Weston Lodge, No. 58, I.O.O.F. P. A. Worthington, N. G.; C. R. Beckett, V. G.; W. T. Williamson, S.; A. B. Hendrick, T. The officers are all Past Grands.

PULL.—Notwithstanding the thaw on Tuesday last a man brought a quarter of cord of wood on a sled through town. As he had only twelve oxen yoked up hauling it, he had some six others along, being led, to use as recruits.

RETURNED.—Mr. Dan Dwight has returned from his eastern trip, and is again prepared for all manner of land business. Dan is always obliging and has better facilities for doing a land business than anyone else in the county.

PECULIAR.—During the cold weather it was peculiar the persistency with which the man sitting near the stove would shut off the draft as soon as he was warm, utterly unmindful of how nearly freezing the rest of the congregation might be.

WASHBOARDS.—Messrs. Dovell & Co., of Walla Walla are manufacturing washboards on a large scale. Retail merchants would do well to get their rates, as they sell cheaper than in Portland or San Francisco, considering the freight.

SACRIFICE.—Mrs. Miller will sell all kinds of millinery goods *at greatly reduced prices* from now until Christmas, after which the shop will be closed until Spring. The ladies should not fail to note this, as good bargains may now be secured.

CHANGED.—The Rev. T. S. Burnett has taken the place and will fill the appointments of the Rev. Mr. Warren, now of Dayton. Readers will observe the change under religious notices in our columns. Mr. Burnett is a resident of Centerville.

SIDEWALKS.—The sidewalk on the west side of Franklin St., between Main and Poun St.'s, is in a delapidated and dangerous condition. We hope our new Council will attend to it at once. If nothing better can be done let it be torn up altogether and thus obviate the probability of having to pay damages for broken shins.

LITIGATION.—Sam. Vancil and M. D. Byland made a bet of a mare each on the presidential election. The former on Hancock, the latter Garfield. The horses were placed in a stable until the matter was decided, and not long since Byland got the horses, on the ground that Garfield was elected. Vancil issued a writ of replevin, and the question is now *sub judice*. W. S. Crawford for pltff., S. V. Knox for deft.

RETIRES.—The city election is over and a good council chosen. We cannot but regret, however, that Mr. P. A. Worthington did not allow his name to be used as a candidate. He made a most efficient councilmen, and we are sorry to dispense with his services. He was active, prompt and very attentive to the many duties imposed upon him. He retires, however with a good record.

WRITING SCHOOL.—Next Monday evening Mr. C. C. Myers will organise a writing school at this place. Those interested will meet at the school house at 6 30 P. M. We have seen the gentleman's diploma, and examined his specimens of plain and fancy penmanship, and judging from them, Mr. Myers ought to meet with success. Terms, $2 50 per scholar for fifteen lessons: Copy book and pen 25c: pupils to furnish their own ink and light.

Reward of Merit.

The Oregon Kidney Tea has been awarded two medals by the Oregon State Agricultural Society, the first of bronze and the second of gold, the difference in the value of the two indicate the increase in the esteem of the community which a year's trial of the remedy has induced. For all deseases of the kidney and urinary organs it is unsurpassed. Don't fail to try it. Ask your Druggist for it.

The Death-Rate of

Our country is getting to be fearfully alarming the average life being lessened every year, without any reasonable cause, death resulting generally from the most insignificant origin. At this season of the year, especially, a cold is such a common thing that in the hurry of every day life we are apt to overlook the dangers attending it and often find too late, that a fever or Lung trouble has already set in. Thousands lose their lives in this way every winter, while had *Boschee's German Syrup* been taken, a cure would have resulted, and a large bill from a Doctor been avoided. For all deseases of the Throat and Lungs, *Boschee's German Syrup* has proven itself to be the greatest discovery of its kind in medicine. Every Druggist in this county will tell you of its wonderful effect. Over 950,000 bottles sold last year without a single failure known.

Coin, Gentlemen, Coin!

We need it in our business. Those indebted to us by note or account are respectfully, but earnestly requested to call and pay up at once. McCOLL & MILLER.

MARRIED.

At the residence of Mr. McFerran, Nov. 21st, by Rev. W. H. Pruett, Mr. Edward E. Whiteman and Miss Emma L. McFerran—all of Umatilla county, Oregon.

At the residence of the bride's parents, near Weston, Nov. 25th, by Rev. W. H. Pruett, Mr. A. J. Russell and Helen M. Wright.

DIED.

Of consumption on Friday Nov. 10th, at the age of 28 years, Lillian B. Knox, wife of S. V. Knox, of this city.

Mrs. Knox was a most estimable lady; and during her short residence among us, had made many warm personal friends, who deeply deplore her loss. Our kindest sympathies are with the bereaved husband from whom death has taken heaven's best boon to man, a true and loving wife.
