I but vaguely hinted at an incident. I did not mention location or time, patient or phy-

because you know who "M. S. I have no desire to avoid the respon sibility of anything I may write to the LEADER. My pseudonym is pretty well known, to no one better than your-

self. Under any other circumstances I would avail myself of your generous offer. No one is more sensible of their need of it than I am. By the way, I W. H.
