

LOGAN LOOMS UP AGAIN.

The Rebel rebellion is really ended. From every part of Oregon comes the assurance of a bountiful harvest.

The immigrant crop is almost ripe and promises to be prolific in Oregon this season.

POSTMASTER GENERAL VILAS says that removals must be justifiable and appointments be beyond criticism.

It is difficult to tell whether the O. R. & N. Co. is waiting for England and Russia to declare war before it leases its lines or these great powers are waiting for the expected lease before they declare war.

An exchange says that the people of Oregon decided at the last election that they wanted to be represented for six years in the Senate by a Republican.

THOUGH many presidential appointments are to be made "by and with the advice and consent of the Senate," yet this should not lead U. S. Senators to suppose that they are justified in spending most of their time and influence in attempting to secure appointments for their political followers.

GREAT alarm is felt in the Eastern States that the country will be visited during the summer with the cholera, and the government is taking all precautionary steps necessary against it.

SENATOR SHERMAN is coming to Oregon. The political significance of the visit has not yet been made public. Some of his friends assert that he will retire from the Senate at the expiration of his term.

SUICIDE is said to be an evidence of civilization. If this is correct Massachusetts is the most civilized State in the Union.

It is amusing to observe the solicitude of certain newspapers regarding England's welfare. A week ago these diplomatic journals were proving beyond a peradventure that England dare not go to war with Russia.

THERE is so much partisan bias in the opinions of newspapers that it is sometimes difficult to arrive at a correct conclusion regarding the actions of those high in office. President Cleveland is receiving some severe criticism from the old Bourbon element of his own party.

It is a very popular opinion that railroads are not only owned by soulless corporations but that they are the greatest money-making enterprises of the age.

A City Moving.

From recent surveys it has been ascertained that the entire city of Virginia, Nevada, has moved over thirty inches to the east since the big fire of 1875.

Notwithstanding the fact that leading lawyers of the state have expressed it as their opinion that the bill which provides county liquor licenses shall be \$300 per annum will be inoperative, because it has no penalty for a violation thereof.

Many of the Heppner sheepmen report that their sheep are yielding rather light fleeces this year, in most cases the yield being a pound less than usual to each sheep.

Over on Pine creek near the main John Day, C. W. Milton, an extensive sheep raiser, employs a force of night as well as day herders during the lambing season.

A very large but partially explored cave exists in Josephine county, on the headwaters of Williams creek, twenty miles south of Grant's Pass.

A gentleman from Southern Oregon reports that the construction forces of the Central Pacific have been ordered to proceed to the front of the California & Oregon Railroad to push it to a connection with the Oregon & California.

Capitalists in Portland are busily engaged in organizing the Portland & Cascade Mountains Railway Co., to be composed of local and Eastern capitalists.

STATE NEWS.

The postoffice at Dundee is to be discontinued.

The Gilliam county jail at Alkali is completed and has one occupant.

Caterpillars are becoming very destructive to the fruit trees in and around Oregon City.

The Grant County News says there are from 20,000 to 30,000 mutton sheep in that county.

All freight and passenger trains have been discontinued on the Oregon Pacific until further notice.

War rumors being unsatisfactory, grain has fallen some and net so good a price is being offered for wheat.

Retta Kelly, an eight-year-old Indian girl, fell into the river near Salem last Saturday and was drowned.

There is talk of establishing a ferry at the mouth of Chapman creek, on the Washington side of the Columbia, five miles below Alkali.

Several immigrants have located this month in the Wallowa and Grand Ronde valleys.

The prospects are good for about three-quarters of a crop of grain in southern Oregon.

Thirteen carloads of emigrants arrived in Portland, Wednesday, from the East.

An incendiary fire at Salem, Wednesday, totally destroyed the foundry and agricultural implement store of D. W. J. De Voe and W. Q. Adams' building.

Eugene Laroque, one of the heirs of the famous Laroque estate, has skipped, owing a thousand dollars.

Many of the Heppner sheepmen report that their sheep are yielding rather light fleeces this year.

Well informed men state that Eastern buyers have purchased in Eastern Oregon and Washington, this season, 25,500 head of cattle.

Judge Kelsey, of Corvallis, is endeavoring to organize an encampment of Indian fighters on this coast.

The following rates on west in sacks have been put into effect by the Oregon Short Line and Union Pacific railway from all local points.

The Yakima Republican, noting the discharge of the graders on the Cascade division, said: "Reorganization of the force on that end of the division on a less extensive scale, will take place about the 1st of June."

Cephas Brainerd, chairman of the international convention of the Y. M. C. A. now in session at Atlanta, Georgia, reports 850 associations with 112,000 members.

New York market reports indicate that the winter wheat crop east of the Rocky Mountains this year will fall short 100,000,000 to 125,000,000 bushels of the crop of 1883.

Penleton, the American minister to Germany, has arrived at Berlin.

GENERAL NEWS.

Hon. George H. Pendleton, the new United States minister to Germany, has arrived at Berlin.

A movement is under way to pay off the floating debt of the Union Pacific Railway Company by July 1st.

In Mexico railroad conductors and engineers are arrested and lodged in jail when they run over a man.

General Grant was not so well on Wednesday. The swelling in his throat and the pain have increased.

The next international convention of Young Men's Christian Association will be held in San Francisco in 1887.

Ex-Secretary of State, Frelinghuysen, is reported by his physician, Dr. C. Gorman, as gradually but surely dying.

Mr. Frost of Portland, is one of the Vice Presidents of the Y. M. C. A. convention now in session at Atlanta, Georgia.

The consolidated fund bill (the \$55,000,000) passed the third reading in the House of Commons Wednesday afternoon.

The constitution of S. S. Cox urged the President to advise him to decline the mission to Turkey but the President refused to do so.

A delegation of army officers have urged the President to retain Miss Sumner, daughter of Gen. Sumner, postmistress of Charlottesville, Va.

About 100 persons were poisoned at a picnic at Tullatah Falls, Ga., through a chemical change made in ice cream freezers.

There was quite a riot in London on Wednesday by way of a demonstration against the government's proposition to increase the duty on spirits and beer.

The appointment of Dufais as consul to Havre, is said to be very distasteful to the French on account of his German parentage.

The Mormon church organ bewails the hardness of heart of President Cleveland in not promising to stop enforcement of the law.

David Wilson, a colored prisoner in Ohio penitentiary, attempted suicide by thrusting his head into a ladle of molten iron.

Forty carpenters were hired in New York Wednesday, at four dollars per day to go to work at Aspinwall.

Dispatches from New York confirm the rumor of the purchase of the O. & C. railroad by the Central Pacific.

Sawyer and Mann have beaten Edison in the courts on the priority of electric light patents.

A special from Philadelphia says: In New York, Walter Lennox Maxwell, who was arrested in New Zealand for the murder of Preller, in St. Louis, made the statement that he was the brother of Lord Herries, and several times spoke of his aristocratic connections.

During the month of April last the Patent Office received 3,159 new applications for patents, the fees upon which aggregated \$100,640.

The following rates on west in sacks have been put into effect by the Oregon Short Line and Union Pacific railway from all local points.

The New York Times says: The dispatch boat Dolphin, which so far the Government has declined to take off Rosch's hands, made another failure Thursday.

Cephas Brainerd, chairman of the international convention of the Y. M. C. A. now in session at Atlanta, Georgia, reports 850 associations with 112,000 members.

New York market reports indicate that the winter wheat crop east of the Rocky Mountains this year will fall short 100,000,000 to 125,000,000 bushels of the crop of 1883.

Penleton, the American minister to Germany, has arrived at Berlin.

Red Star Cough Cure. Trade Mark. Absolutely Free from Opium, Narcotics and Poisons. A PROMPT, SAFE, SURE CURE.

Surface Indications. What a miser would very properly term "surface indications" of what is beneath, are the Pimples, Sides, Sore Eyes, Boils, and Cutaneous Eruptions.

Ayer's Sarsaparilla. which is sufficiently powerful to expel from the system even the taint of Hereditary Proliferation.
