Happy Surprises are Pleasing

THOSE TEN THOUSAND PENNIES are going pretty fast, but we will keep them going.

TEN PERCENT OFF means a lot. Supposing you buy for cash every time you go to town and you get one or more times a week? That means 52 or more times that you get 10 percent off, and that means a total of 520 percent, or more than five times the cost of the article. Did you ever think of it in that way?

Here are some CASH BARGAINS for Pioneer Picnic Week

The time when we guarantee that some people are going home richer than when they came. We'll make that fellow who remained at home wish he'd been here.

We have six or eight new ROAD CARTS—built alike, look alike, same style, same color. For the two picnic days prices will be \$6.50, \$8.50, \$10.50, \$12.50, \$14.50, \$16.50, etc. We defy anybody to show us One Dollar difference between any two of them.

BICYCLES worth \$28.00, \$30.00 and \$45.00 will go on the toboggan for those two days at \$1.00 off every hour from 9 a. m. to 6 p. m. We have six styles of WASHING MACHINES and they will go the gamut at 25 cents off each hour. A SEWING MACHINE, one of the best made, rotary, for \$35.00, and a New Royal at \$20.00. Put a blanket over the two and take choice for \$25.

There will be three top and open BUGGIES placed on the street each day at prices that will make you blush, and you will have a chance to get a WAGON that will not happen again this year.

The new store is A SURE GO.
