from his long illness as to be able  
to take occasional walks down town.

do not depend on daylight. Come any  
time. Ohmart & Abrams, Brandt

Help along the cause of civic im-  
provement by attending the Saturday  
Afternoon club dinner today at the  
Marshall House.

or night. Also livery and feed stable  
opposite the Leuallen blacksmith  
shop. Lefe McBride.

Bert Richards, president of the East  
End league, is recovering from his re-  
cent illness, and was able to attend last  
Sunday's game at Weston.

Manager Rawlin Miller announces  
that the Dreamland motion pictures  
will be resumed at Weston on Monday  
and Tuesday evenings, June 21 and 22.

It takes more than the loss of his  
appendix to knock out Vennard Bell,  
and he was able this week to go back  
to his mountain ranch and take hold  
again.

For sale cheap, by owner, 80 acre  
ranch, well improved; a cozy home  
place 1 1/2 miles from Weston. If inter-  
ested write Geo. H. Dismore, Amity,  
Oregon.

During the recent picnic at Athens  
a young son of William H. Coppock  
was knocked out from the running board  
of an automobile and suffered a  
broken leg.

Jim Ashworth, Geo. B. Carmichael  
and Bob Proudfoot found fishing fine  
last Sunday near the ranger station on  
the Umatilla river. They took more  
than 100 trout during the day's sport.

Wallace Nelson, agent of the O-W  
R. & N. Co. at The Dalles, was a re-  
cent visitor with his parents at West-  
on, accompanied by his family. He  
returned Monday to his work, but Mrs.  
Nelson went to Pomeroy, Wash., for  
a visit with her mother.

Henry Schroeder, a former Weston  
mechanic, was here this week, greet-  
ing old-time friends. During several  
years of his absence Mr. Schroeder  
was located in Calgary. He left there  
several months ago, and has just re-  
turned from a visit to the big fair at  
San Francisco.

Among the Weston students whom  
vacation time has brought home from  
the valley are Miss Edna Banister,  
Leonard Blomgren, Zane Lansdale and  
Herman O'Hara, all of whom have  
been attending Oregon Agricultural  
College. Elmer (Bish) Tucker re-  
mained below. Miss Agnes MacKenzie  
is back from Portland, where she fin-  
ished her course in business college.

Every one interested in lawn tennis  
is requested to meet at the residence  
of Dr. and Mrs. C. H. Smith Wednes-  
day, June 16, at 2:30 o'clock in the  
afternoon, for the purpose of assist-  
ing in the preparation of the new tennis  
court at Weston. This court is to be  
for the benefit of the public, the  
players being merely required to fur-  
nish their own rackets and other  
equipment.

Lloyd Ritchey came up from Forest  
Grove this week to attend the picnic,  
and is a guest of the Joe Hodgsons at  
Meadowbrook farm. He has grown  
into a young man since leaving West-  
on, and had much fun puzzling local  
people as to his identity. He says that  
his father, "Jim" Ritchey, expresses  
much regret at being unable to be with  
his Weston friends again this year at  
picnic time.

State-wide prohibition is not going  
to make all brewery equipment in Ore-  
gon entirely useless. The Northwest  
Fruit Produce company has been in-  
corporated at Salem and will take over  
the buildings of the present Salem  
Brewery association for the manufac-  
ture of loganberry juice and for the  
canning and preserving of fruits of all  
kinds. The new company is capitalized  
at \$75,000.

A huge chunk of hillside fell out  
recently on the east side of Pine creek  
at the C. F. Huffinch place above  
town, covering and quite badly dam-  
aging part of the orchard and potato  
patch. The land slip is said to have  
been caused by excessive moisture, and  
is ascribed by Mr. Huffinch to leaky  
water pipes. He has presented a bill  
of \$100 to the city for damages to his  
land and orchard. A bill for \$15 was  
presented by John Bonewitz, who had  
the land in crop.

Lee Dale, accused murderer of Mr.  
and Mrs. Charles Ogilvy, is in jail at  
Pendleton, and a special grand jury  
was convened this week to investigate  
the charges against him. Dale is  
charged with shooting his victims, and  
is supposed to have been obsessed by  
a drunken frenzy when the awful deed  
was done. Mrs. Ogilvy was killed in-  
stantly, but her husband lingered for  
a while, and left a dying statement im-  
plicating Dale. The murdered couple  
were prominent and highly respected  
pioneers of the Pilot Rock neighbor-  
hood. One of their daughters, Mrs.  
Earl Dudley, resides near Weston.

**It Can't Sting.**  
The editor of an Illinois exchange is  
a public benefactor and when he dies  
the people of his county ought to erect  
a monument to the honor of his mem-  
ory. He has discovered a new way to  
get rid of mosquitoes. He tells you  
simply to rub alum on your face and  
hands. When the mosquito takes a  
bite it puckers his gazoole so it can't  
sting. Then it sits down in a damp  
place, tries to dig the pucker loose,  
catches its death of cold and dies of  
pneumonia.

St. Louis, Mo.—Miss Katherine Besse,  
18 years old, ate her first hot last  
week. When a child an accident caused  
the closing of the channel to the  
stomach. An operation permitted her  
to be fed directly into the stomach.  
Last week a surgeon who had become  
interested in her case, restored her to  
almost normal condition. She had lit-  
tle idea of the taste of various foods  
until after the operation.

**WESTON IS READY FOR THE PIONEERS**  
Everything is practically in readi-  
ness for the pioneer's reunion, which  
promises to be among the most suc-  
cessful and enjoyable ever held within  
the past twenty-three years that have  
marked the annual gatherings of  
Umatilla county's old settlers at West-  
on.

Street illumination will be among  
this year's features. Through the ef-  
forts of Mayor Harbour several strings  
of globes were secured for the streets  
and the pavilion, and free juice and  
wiring have been donated by the Pres-  
ton-Shaffer Milling company of Ath-  
ens—whose kindness is appreciated.  
The globes are the property of the  
Pendleton Commercial association, and  
were secured for a nominal rental.

Baseball will be a leading amuse-  
ment feature. East End league teams  
will clash on the local diamond, be-  
ginning each day at 2:30 p. m.—and  
those who have grown suspicious of  
"picnic baseball" will find that these  
games will make up for all past dis-  
appointments. Helix plays Weston  
Friday (today). Athens will come  
over the hill Saturday to receive a  
drubbing. The Weston team will  
meet the invaders each day with a  
rejuvenated line-up, and will try  
as hard to win these exhibition  
contests as any of the games regularly  
scheduled. Nobody need stay away  
throughout the picnic. A better exhibi-  
tion of the national sport, "Pop" and  
"ginger" and other baseball condi-  
ments will be used without stint to  
make each contest a lively one.

Prominent among the musical  
numbers in each day's program will  
be the choruses drilled under the di-  
rection of A. W. Lundell. There will  
also be a number of fine readers and  
soloists. Mrs. F. D. Watts is again  
this year very capably bearing the bur-  
den of reunion accompanist, and her  
services are appreciated by the pro-  
gram committee.

The stated speakers are two of Ore-  
gon's foremost men—Congressman  
Sinnott of The Dalles, and President  
Kerr of Oregon Agricultural College.  
In addition, Superintendent L. E.  
Young will give a brief address Satur-  
day morning along educational lines.

There will be plenty and to spare  
for everybody to eat during the picnic.  
Supplementing the meals served at the  
several eating houses, the ladies of the  
Umatilla Amusement Club have ar-  
ranged to give a special dinner during  
the first day of the picnic (today) be-  
ginning at 11:30 a. m. This dinner  
will be served in the dining room of  
the Marshall House, which was kind-  
ly placed at the disposal of the club  
ladies by Mrs. Hastings. Tender  
chicken will be on the bill of fare, and  
strawberries and cake will be served  
for dessert.

The program committee announces  
a special number for Saturday, secured  
too late for listing. This will be fur-  
nished by Mr. George Haskethorn of  
Pendleton, who will do a monologue  
and sing or two in costume.

The high school play, "Engaged by  
Wednesday" will be presented Satur-  
day afternoon at the opera house for  
the benefit of civic improvement.

There will be free band concerts  
each evening at the pavilion. Dancing  
at the opera house will conclude  
each day's festivities.

**EVANS VS. CASSELL**  
**THIS AFTERNOON**  
Earl Courts has arranged a sparring  
match for the first day of the Weston  
picnic between "Bobbie" Evans, well  
known locally as the premier Oregon  
lightweight, and "Young" Cassell of  
Spokane. This event will be staged at  
Weston opera house at two o'clock  
this (Friday) afternoon, and will be

accompanied by the usual prelimina-  
ries. Those who have seen Cassell in  
action at Spokane, Walla Walla and  
Hillyard, say that while he is not so  
fast and clever as Evans, he has an  
extremely dangerous punch and that  
the latter will be put to sleep if he  
gets in the way of one of the young-  
ster's haymakers. The men are about  
evenly matched in weight—around 135  
pounds each.

Des Moines, Ia.—In bankruptcy  
proceedings here it came out that a  
Mrs. Dottie Morgan, a former resident,  
had for a loan of \$10, pawned her  
body to Moses Levich, to be delivered  
to him after death. The woman  
moved to Denver and Levich has ask-  
ed the court of the pledge can be  
counted as an asset.

Oakland, Calif.—Alex Jacobi and  
his daughter Grace were motoring on  
a boulevard last week when a bee  
stung Jacobi on the face. The sur-  
prise and pain caused Jacobi to lose  
control of the car, which overturned  
and fatally injured his daughter.

Columbia, S. C.—Miss Clyde Yar-  
borough has been awarded \$3000  
damages for the loss of three inches  
of skin from her rosy cheek. She  
was thrown from a street car, and  
sued for \$10,000 damages.

Yonkers, N. Y.—Peto, a monkey,  
owned by Mrs. Libbie Dixon, saved  
her and her guests from death by fire  
when he dragged her down from her  
room on the top floor to the basement  
where a brisk blaze was burning.

**Happy Surprises are Pleading**  
THOSE TEN THOUSAND PENNIES are going pretty fast, but we will keep them going.  
**TEN PERCENT OFF** means a lot. Supposing you buy for cash every time you go to town and you go  
one or more times a week? That means 52 or more times that you get 10 percent off, and that  
means a total of 520 percent, or more than five times the cost of the article. Did you ever think  
of it in that way?  
**Here are some CASH BARGAINS for Pioneer Picnic Week**  
The time when we guarantee that some people are going home richer than when they came.  
We'll make that fellow who remained at home wish he'd been here.  
We have six or eight new **ROAD CARTS**—built alike, look alike, same style, same color. For the  
two picnic days prices will be \$6.50, \$8.50, \$10.50, \$12.50, \$14.50, \$16.50, etc. We defy anybody to show us  
One Dollar difference between any two of them.  
**BICYCLES** worth \$25.00, \$30.00 and \$45.00 will go on the toboggan for those two days at \$1.00 off every  
hour from 9 a. m. to 6 p. m. We have six styles of **WASHING MACHINES** and they will go the gamut at 25  
cents off each hour. A **SEWING MACHINE**, one of the best made, rotary, for \$35.00, and a New Royal at  
\$20.00. Put a blanket over the two and take choice for \$25.  
There will be three top and open **BUGGIES** placed on the street each day at prices that will make you  
blush, and you will have a chance to get a **WAGON** that will not happen again this year.  
The new store is A SURE GO.
