

Get After Us

Now and then a customer complains of not getting the service at our store that he or she would like and deserves to have. The fault is ours and we accept responsibility.

We have been rushed, and if you have been neglected, why, just get after us! We'll be the better for it.

One woman said: "The reason I like to trade with you, Mr. O'Harra, is because you sell so much that everything I get from you is always fresh."

Our grocery line is more complete than ever, and we handle the best of everything. We are nearer than anyone else. Tell us your wants and let us help you decide for your next meal.

SPEND YOUR MONEY WHERE YOU GET IT, AND YOU MAY GET IT BACK AGAIN.

WESTON'S HELP IS WANTED BY ELGIN

With Regard to Mountain Road—Meeting to be called for September 27.

Elgin is planning a new road to the Toll Gate, 24 miles in length, and a number of its business men have agreed to subscribe to that end. The cost is estimated at \$10,000. All projects for building a railroad across the mountains having gone a-glimmering, better wagon and motor road connections are now wanted by the Elgin. The Leader is in receipt of the following letter from L. B. Tuttle, secretary of the Elgin Good Roads Association:

"We desire to call your attention to a Good Roads meeting to be held at 7 o'clock on September 27, and trust you will give the same due publicity through your paper, and we hope to see Weston represented there on that date."

"The Elgin Good Roads Association was formed simply for the purpose of obtaining a new road across the Blue mountains, eliminating the old toll road. We have the assurance of good support from all towns in Walla Walla county, Walla Walla and Milton, and believe that the project will be of interest to the people with the Blue. The object of the meeting September 27, is to get together representatives from all the towns and form a permanent organization through which the work can be carried to completion."

"Elgin business men will give liberally of time and money, and we anticipate no great trouble in raising the money necessary for construction."

"We invite suggestions and hope to have Weston's hearty co-operation. A committee of Elgin business men will visit your section in the near future."

A good roads dream of the future is a grand trunk highway extending from ocean to ocean, of which the Columbia River highway would form a part. The over-the-Blue route from Weston to Elgin should form a logical sector of this great road, and doubtless our business men and citizens will appreciate the advantage of joining hands with our Union county neighbors in their present campaign, with a view to strengthening Weston's position later on.

Germany's Reply Favorable.

WASHINGTON, Sept. 1.—Germany has officially accepted America's terms in the controversy growing out of Germany's submarine warfare. Due warnings will be given in future by attacking undersea boats.

We infer that Old Man Portland is beginning to wonder about how much commission somebody may be getting out of his form of government.

Bryan has declined an invitation to visit Berlin, which really needs his gospel of peace.

Portland would better grab General Goethals as its municipal manager, for Weston will get him if it don't watch out.

We're glad that Mr. Beals has let up on such hellishly hot weather, as only Boyd and a few others require preliminary grilling.

Colonel Boyd has concocted "A Mulligan Stew" column for the Athena Press, which is all right enough if he will limit the stew to the mulligan.
