HOSTETTER'S

NORTHWEST MARKET REPORTS;

University of Oregon, Eugene.—Het inches at moon in remote country schools is an educational innovation that has been introduced into western Lane county. In western Lane much of the school year is rainy, and youngsters, traveling long distances in all sorts of weather, often wear west clothen a large part of the day.

School boards were accordingly saked to provide cooking utensils, which in many cases consist of only a large kettle, a big spoon, a knife and a few other bare necessities. The children bring the articles to be cooked. Some bring potatoes, some bring vegetables some bring meat, milk and other articles at different times. Each child has his own bowl and the lunch consists usually of hot soup.

Each day two pupils are appointed hosts for the following day. After school at a meeting the kind of soup desired for the following day is determined, and on the following day the two hosts are allowed time from their school work to prepare and cook the soup on the big stove in the corner of the school room.

Formerly the children consumed

How to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with ills peculiar to their sex. Many letters on file in the Pinkham Laboratory at Lynn, Mass., prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's Vegetable Compound. Here are three such letters. All sick women should read them.

Marinette, Wis.—"I went to the doctor and he told me I must have an operation for a female trouble, and I hated to have it done as I had been married only a short time. I would have terrible pains and my hands and feet were cold all the time. I took Lydia E. Pinkham's Vegetable Compound and was cured, and I feel better in every way. I give you permission to publish my name because I am so thankful that I feel well again."

—Mrs. Fred Behner, Marinette, Wis.

Detroit, Mich.—"When I first took Lydia E. Pinkham's Vegetable Compound I was so run down with female troubles that I could not do anything, and our doctor said I would have to undergo an operation. I could hardly walk without help so when I read about the Vegetable Compound and what it had done for others I thought I would try it. I got a bottle of Lydia E. Pinkham's Vegetable Compound and a package of Lydia E. Pinkham's Sanative Wash and used them according to directions. They helped me and today I am able to do all my work and I am well."—Mrs. Thos. Dwyer, 969 Milwaukee Ave, East, Detroit, Mich.

Bellevue, Pa.—"I suffered more than tongue can tell with terrible bearing down pains and inflammation. I tried several doctors and they all told me the same story, that I never could get well without an operation and I just dreaded the thought of that. I also tried a good many other medicines that were recommended to me and none of them helped me until a friend advised me to give Lydia E. Pinkham's Vegetable Compound a trial. The first bottle helped, I kept taking it and now I don't know what it is to be sick any more and I am picking up in weight. I am 20 years old and weigh 145 pounds. It will be the greatest pleasure to me if I can have the opportunity to recommend it to any other suffering woman."—Miss Irrend Fronkloher, 1923 Manhattan St., North Side, Bellevue, Pa.

If you would like special advice write to Lydia E. Pinkh ed. Co. (confidential), Lynn, Mass. Your letter will be open ad and answered by a woman and held in strict confiden

SALTS FINE FOR

Most folks forget that the kidneys, like the bowels, get sluggish and clog-ged and need a flushing occasionally, eige we have backache and dull misery in the kidney region, severe head-aches, rheumatic twinges, torpid liver,

Jad Balts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
