Returns from Oregon's state-wide primary election Friday show conclusively that Justice Hughes is decidedly the choice of Oregon Republicans for the Chicago nomination next month, He has a large majority over all other candidates put together. Senator Albert B. Cummins, of Iowa, is running second, and ex-Senator Burton, of Ohio, third.

FOOD DICTATORSHIP WITH SWEEP-ING POWER CREATED IN GERMANY

Berlin, via London-"The adequate urishment of our population is fully sured and will be rendered doubtful by any blockade regulations of enemy states, no matter how unscrupulous they may be and no matter how long the war may last," says the semi-official North German Gazette, in an announcement of the creation of a food dictatorship with sweeping powers.

Rattle at Verdun Grows Bloodier: French Withstand Titanic Assaults

London — Tuesday witnessed the bloodiest fighting in the whole battle of Verdun. The struggle of the first days of the German assualt, or of the second mighty effort to overwhelm the fortress, fade into nothing compared with the titanic force of Tuesday's blows. And their net result, so far ass the Germans are concerned, was to leave the battle lines where the French bad left them after the successful

the Germans are concerned, was to leave the battle lines where the French had left them after the successful counter attacks of Monday.

Only about the Thiaumont farm, east of the Meuse, does Paris admit the loss of a single foot of ground. Berlin herself claims only the capture of a small blockhouse west of the river and of a sap mine near Vaux. For the rest it contents itself with reporting the repulse of the French attacks.

Every available man and every available gun except those actually necessary for the reserves the Germans have mustered into the battle. They made a supreme effort to recapture Fort Donaumont, which in their absorption at Hill 304 and Le Mort Homme, they had neglected to prepare against the contingency of French surprise, but the French grip on their old fortifications was too strong.

As soon as the count was completed the County court issued an order of the election being carried. The county precincts, with a few exceptions, those in the northern portion of the county, including Lakeside, Templeton, Kentuck and Haynes Inlet, and a few others, voted heavily against the bonds, and the success was due entirely to the heavy votes in the cities. Coquille had a handsome majority, and Bandon gave the bonds a great boost, being nearly a three-to-one majority. The issue calls for the expenditure of \$362,000 for lining and grading, and it is not expected the fund will provide for any hard surfacing.
