ULTIMATUM IS SENT MEXICAN REPUBLIC

nediate Release of Captured Negro

CARRANZA ORDERED ATTACK

President, Following Conference, Indicates He Will Address Joint Session of Congress Soon.

Washington, D. C .- A demand for the immediate release of the American troopers taken prisoners at Carrival, oled with a stern notification that the United States expects an early statement of the purposes of the Carranza government was telegraphed to Mexico City Sunday by Secretary Lan-

The note discloses that the State de-partment received Saturday a commu-nication from the de facto government stating that the Carrinal fight was the direct result of orders to attack Amer-ican soldiers moving otherwise than toward the border, personally issued by General Carranza to General Tre-vine and by the latter communicated

vino and by the latter communicated to Generel Pershing.

In reply, Secretary Lansing requires that the de facto government transmit a definite statement "as to the course of action it has determined upon" through the usual diplomatic channels "and not through subordinate military Sore Granulated Eyelids,
Eyes inflamed by exposure to Sea, Dustand What
mich we alliered by Hartas

strued, Secretary Lansing states, "as a formal avowal of deliberately hostile action against the forces of the United States now in Mexico and of the purin Nebraska was discovered one morning in the act of killing a chicken.

"Why, Mrs. Brown, I thought that you were afraid to kill a chicken," said a neighbor in surprise.

"Yes, dearie, I did uster be; but since the war broke out I've done it right smart.

States how in Mexico and of the purpose of attack without provocation whenever they move from their present position" despite the friendly mission on which they are engaged and which is reaffirmed in the American rejoinder.

General Carranga is required to delightful old lady of a little town

"Yes. dearie, I did uster be; but since the war broke out I've done it right smart.

"Well, you see, it's this way: I uster think that bloodshed was an awful thing, but since I've been readin' about all them men-killin's in Europe I just get a rooster by the feet, lay his head on the block and say to myself: 'Now, Sarah, 'tain't near so bad as killin' a man. Where's your nerve!' And then I just shut my eyea and whack."—Youth's Companion.

which is reaffirmed in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained language of Mr. Lansing's communication that force will be met with force. Apparently, however, the Washington government is determined to the plain intimation lies behind the restrained in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained in the American rejoinder.

General Carranza is required to place himself on record formally and the plain intimation lies behind the restrained in rejoinder.

Wind Imprisons Woman. Imprisoned in a closet by the wind slamming a door fast, Mrs. Mollie Cor-dery, who lives near Bridgeville, Del., had a narrow escape from death, and

by the shock,
Mrs. Cordery was cleaning the attic
and while she was looking in an old foor and locked it from the outside. There was no one but herself in the house, and it was nearly an hour before Mrs. Cordery's screams happened to be heard by a gang of men who were repairing the road. With all the doors locked downstairs, Harry Rickards climbed to the second floor and got through by a window. When Mrs. Cordery was found she was in a pitiable state. She is still seriously ill from the shock.

Blight Misunderstanding. "Was his crime premeditated?" "I don't think so. He thought it all out eforehand, you know."-Life.

There are at least 10,000 fewer tele-phones in London as a result of the war, business firms in hundreds of inphones in London as a result of the war, business firms in hundreds of instances discontinuing the service in the interest of retrenchment. The government, which operates the system, announces that although telephones have been discontinued by the wholesale there has been an increase in the use of electrophones—the in-strument which connects the subscriber with the theater and enables people who prefer to remain indoors these gloomy nights of black streets to have

Phoebe's Voice is Faint and She Certainly is Not Pretty, but She Haise All Beetles.

After you're well acquainted with the phoebe and catch some of her spirit of friendliness and companionship, you won't care a snap of the finger that she can't sing very well, nor that she isn't good looking. You'll welcome her in spring just as if she were a Venus for looks and Melba for voice.

Footand-Mouth in the Philippines.

Officials of the Philippines reported to Washington last week that the footand-mouth disease has again laid its grip on the islands. The scourge is called rinderpest over there, and has been the bugbear of all cattle dealers and dairtes, the few that there are, almost from the beginning of American occupation in 1898.

It is estimated that 260,000 carabaos have died of rinderpest in the last year. There were 500 deaths in the last week of April, when the last mail report was sent to Washington. The Foot-and-Mouth in the Philippines. For Thrush and Foot Diseases

come her in spring just as if she were a Venus for looks and Melba for voice. The loss is about \$5,000,000.
