## FORD

The Universal Car
The new Ford cars are up-to-the-minute in appearance, with large radiator and enclosed fan, hood with full streamiline effect, crown fenders front and rear, black finish with nickel trimmings-a snappy looking car-and with all the dependable, enduring "The Universal Car." One fact is worth more than e ton of guesses. Ford cars are selling from five to ten over any and all other cars, simply because they give more satiofactory service last longer and are there's no guessing about the reliability of Ford service. Touring Car $\$ 414.85$. Roadster $\$ 809.85$.
