

Fresh Air for Baby

Give baby plenty of fresh air now that the warm, sunny days of spring are here again. Put him in one of our Sturgis Luxury Carts or Carriages—best for baby, most convenient for mother.

With 30 styles of Carts and Carriages on display you are sure to find the style and price to please you. All are fitted with the famous Sturgis Luxury Springs—springs that save baby from harmful bumps and jars. They adjust to a number of comfortable positions. Baby's comfort and safety were the first consideration in designing these splendid carts.

These Carts are fully collapsible—one motion—making them convenient for taking on car or for storing. They are well made and finished, all having rubber tires, while some have artillery wheels, mud guards, etc., as well.

By all means see this line. Prices range from \$7.50 to \$35.00. If unable to call, write for descriptions and prices, giving us an idea of the grade most interested in.

George Schnitzer will go to and from his work hereafter in a Maxwell runabout, bought of H. L. Hedrick.

If you need new frames or mountings for your glasses, call and see Dr. French at Mrs. Wheeler's, March 27 and 28.

Mr. and Mrs. Gus Schroeder, who have been visiting Mrs. Schroeder's parents, Rev. and Mrs. W. B. Smith, left Monday for their new home at Calgary, Alberta. They formerly resided in Coos county.

Sam Phillips, pioneer Dry creek farmer and the first white child born in Umatilla county, has shown by the purchase of an automobile that he holds no prejudice against modern methods of transportation.

Mrs. Laura Shanks is leaving next week for Glendale, Calif., to keep house for an elderly couple whose acquaintance she made during her former California trip. She expects to remain at least a year, and perhaps permanently.

Braving enemy submarines, Commodore Roy Tompkins sailed in Monday from the Dry creek region in his trusty Cadillac boat on a trading voyage. He exchanged one and a-half kopecks for another year of the Weston Leader—and got all the best of the bargain.

Robert Proudfit has bought the former Bryson residence on Normal Heights from Ben Dupuis and is improving it with the addition of a bath room and lavatory. The property consists of a seven room house and six lots, and has been bought as a home by its new owner.

Dr. S. L. Kennard is driving an Overland touring car, 1917 model, which he recently purchased, and expresses the conviction that he has quite a nifty car. Strange it is, however, to see the doctor at the steering wheel of a buzz wagon instead of behind a span of fancy steppers.

Mrs. Martha Whitman, widow of a Weston pioneer, died Friday at her home in Pendleton. After funeral services in the Christian church at Pendleton, the remains were brought to Weston for interment in Kees cemetery—where sleep so many departed pioneers of this neighborhood.

Weston has been remembered by Bishop Paddock by the presentation to its public library of two valuable and interesting works—Letters and Addresses of George Washington and Letters and Addresses of Abraham Lincoln. The books were sent to Mrs. Lillian Fredericks for presentation to the library, and the gift is much appreciated by its board of managers.

C. E. Nelson continues to progress in insurance work, having been promoted to the position of assistant agency manager of the Equitable for the State of Oregon. This is in recognition of Clark's record as the largest individual producer of company business in this state for the past four years, during which period he has written about \$700,000. Clark came up Saturday for a visit to his old home town—not having been born here long enough ago to have forgotten the place.

Perhaps the largest single sale of machinery and implements ever made in Weston was consummated the other day by Watts & Rogers, who disposed of nearly \$4000 worth of goods to Nicholas Blanchet. Better still, Mr. Blanchet came clear from Pilot Rock to buy in Weston—which shows that goods and prices here must be attractive. His purchases included a farm tractor. Mr. Blanchet has been engaged in farming at Pilot Rock, and also owned the electric light plant there. He is now moving to Montana, where he will farm the land holdings of Ben Dupuis near East Helena.

The band concert and supper given Saturday evening under auspices of the Saturday Afternoon Club was a delightful and successful occasion, and netted about \$66 for the band treasury. The gross receipts were about \$70, and as all work and provisions were donated and only a nominal charge was made by the opera house management to pay for lights and fuel, the profits to the band were gratifying.

FORD

The Universal Car -- 320,817

Have been built and actually delivered to retail buyers since August 1, 1916.

These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agent to retail buyers.

The unusual fall and winter demand for Ford cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing Ford cars. If, therefore, you are planning to purchase a Ford car, we advise you to place your order and take delivery now.

Immediate orders will have prompt attention. Delay in buying at this time may cause you to wait several months. Enter your order for immediate delivery with our authorized Ford agent listed below and don't be disappointed later on.

PRICES—Runabout \$399.85, Touring Car \$414.85.
