Clothcraft Clothes will please you. We are showing rich blue serges, grays, many new novelties, priced from \$12.50 to \$18.50. We will sell at these prices as long as our present supply lasts. **WE HAVE NOT ADVANCED OUR PRICES WITH THE MARKET.** You will get the benefit of early purchases of last year. We have other good service suits as low as \$8.50.

Have you seen the new boys' suits we are showing this season? You will agree they are beauties. The style is the newest, showing the belt and Pinch Backs. The trousers are full and well lined, with extra pockets. The colors are just what the boy likes—pretty novelties and blue serges. When the boy puts on one of these suits he looks as well dressed as any boy anywhere. If we could show you where these suits are different from just clothes you would take pride in having your boy wear one. Priced from \$1.98 to \$10.00. A splendid suit—either serge or novelty goods—for \$4.98.

Young Men's Suits

Ours is the famous "Belmont Clothes" for young men. Boys, if you could only see these suits and note the snappy styles you so much desire—the nobby blue serges, novelties, browns and greys; the pinch back, belt back, or conservative loose back, just as your wish dictates—good serviceable suits and the price from \$8.50 to \$15.00. Look at our windows.

Children's Garden Contest and Fair

So soon as the vegetables are matured we expect to have a "Weston Community Fair," showing vegetables produced by children—boys and girls twelve years and under.

Products will be assembled in street booths at some convenient place, and valuable prizes will be given for the best potatoes, beans, corn, cabbage, carrots, squash, etc. The first prize will be a sweepstake for the best general showing of vegetables produced by one person.

Our Mr. O'Hara will have charge of this event and will be glad to give all the information you desire. In a later issue we will give you further details. We invite every child to take part in this contest and begin now to prepare the ground that the planting may be done in season.

In order to clinch its record as the wettest month of all, April introduced a perfect downpour Wednesday evening, followed by a heavy rain for the greater part of the night. Not much damage was done, however. Pine creek roared, but did not overflow its banks. At the Price homestead north of town flooding was threatened by back water from a railroad embankment, the culvert proving insufficient to carry it away. Carpets and furniture were moved to the upper floor but the flood did not enter the house, as it did on a former occasion.

Miss Leola Duncan was the recipient of many useful and beautiful gifts Wednesday evening when the Bachelor Girls and their girl friends surprised her at her home with a miscellaneous shower. The fore part of the evening was delightfully spent with games and music and an extemporaneous program of vocal solos. The club president then escorted Miss Duncan to the mound of packages on the table and told her to open them one at a time in the presence of the guests and to make an appropriate speech concerning each. Delicious refreshments were then served, and more music and fun closed a merry evening.

Ernie Blomgren, one of the Weston recruits who enlisted in Company E of the Second Idaho and are now in training at Boise barracks, writes to a local friend that he likes army life so far, although he will have ample time for regret should regret be his portion, as he and his Weston comrades have enlisted for six years. He says "the eats" are at times a bit deficient, but "we can't kick much at that when we see the bunch they have to feed." The young soldiers do not think they will remain at Boise much more than a week longer, but have no idea as to their ultimate destination.

While wheeling into town about nine o'clock Monday night, Mr. and Mrs. Joe Hubbell of Silverton, Oregon, piled up with their motorcycle, and the lady sustained a badly sprained ankle. The accident happened near the home of Mrs. O. M. Nevin, who took them in and cared for the patient. Next day they were able to go on their way rejoicing. They are making a motorcycle trip from Silverton to Spokane, and since leaving their home last Thursday had already journeyed 380 miles.

A force of well-trained men under the direction of the Saturday Afternoon Club were engaged Monday in the laudable task of mowing the lawn of the city park. The ladies did not confine themselves to supervision, but assisted in the spring beautification of this little oasis.

Umatilla county has been honored by the appointment of one of its foremost citizens, R. N. Stanfield, speaker of the last house, as Oregon's representative at the meeting in Washington, D. C., of the National Council of Defense.

S. A. BARNES APPOINTED ON DEFENSE COMMITTEE

S. A. Barnes is Weston's member of the Umatilla county committee of public safety and national defense—an organization of twenty-one men and women representing different community centers throughout the county. Following a meeting here Saturday which was attended by Circuit Judge Phelps, County Judge Marsh and Dan P. Smythe, Mr. Barnes was appointed by Mayor Banister and President J. H. Price of the Weston Commercial club, who were empowered on motion to make the selection.

The choice is generally regarded as a good one. By reason of his long service as a grain dealer here, Mr. Barnes is well acquainted with the resources of the Weston country, and he is, moreover, a public spirited citizen and an earnest patriot. One of his sons, Sidney, was among the first to join the colors from this section.

The Umatilla county committee, according to the Pendleton visitors, is authorized by the national council of defense, and constitutes an integral part of a nation-wide organization. Its duties are to list the material resources of the county, to take a census of the men available for military duty and to encourage production, and all of its members serve without pay. Dr. W. D. McNary, superintendent of the Eastern Oregon hospital, is chairman.

Promptly upon his appointment Mr. Barnes began circulation of the pledge of fidelity and service to the nation and of support of the committee's work, sent here for signatures. In this task he received active and invaluable aid from W. H. Gould, and in a short time the two had enrolled 300 names or more.

S. A. C. Elects New Officers

The Saturday Afternoon Club met April 23 at the home of Mrs. Frank Graham. This being the day set for annual election of officers in the club's year book, the afternoon was entirely taken up with business matters and the election. Mrs. E. O. DeMoss, the retiring president, presided.

The following officers were chosen: Mrs. E. M. Smith, president; Mrs. Wilbur Woods, vice president; Mrs. Frank Graham, secretary;

Mrs. F. D. Watts, treasurer; Mrs. E. C. Rogers, reporter.

Owing to the vital importance of using all available ground for food preparedness, it was decided to turn the tennis court back to Dr. C. H. Smith.

Refreshments were served by Mrs. E. C. Rogers and Mrs. F. D. Watts, assisted by the hostesses, Mrs. Frank Graham and Mrs. Wilbur Woods.

Barney Anderson, county commissioner, had the distinction and profit of selling 8000 bushels of wheat yesterday at the highest price, \$2.40 per bushel, on record in Umatilla county. Roland Oliver, independent buyer, was the purchaser.

W. P. Winans, a pioneer banker of Walla Walla, died Monday.
