The Bachelor Girls and their friends gave Miss Ethel Waddingham a miscellaneous shower Friday evening in honor of her approaching marriage. An enjoyable time was had and ice cream, wafers and coffee were served.

Fred Kyle and son and Charles Warfield came over from Milton this week to begin planting 80 acres of beans on the Frank Greer place. Among the other large tracts to be planted to beans in this vicinity are 80 acres of the Price homestead and 160 acres of the G. W. Winn holdings.

Walter Beamer usually fed a couple of his fingers to an industrious wood saw the other day and found that the saw had an appreciative appetite. Walter did not quit lose his fingers, but did lose all sympathy for the machine's hunger and has temporarily retired from industrial activities.

Everything is ready for the pioneers' reunion next week, and the program of exercises appears elsewhere in this paper. An added feature is the flag-raising at nine o'clock Friday morning. Weston's new community flag will then be dedicated and hoisted to the top of a pole 102 feet and 10 inches in height. This splendid stick was gotten out by Tim Henderson, substituting for Clarence Avery, who is ill. A new finance committee was appointed Monday by Chairman Barnes—W. H. Gould, the former chairman of this committee, being unavoidably absent. Its members are Lew Van Winkle, Bud Nelson and Hank Price—and these fellows are money-getters.

## DECORATION DAY FITTINGLY OBSERVED AT WESTON

Bright and beautiful weather enhanced a fitting observance at Weston of Decoration Day. Many people were out to enjoy the exercises, and paid floral tribute to loved ones in the Masonic, Odd Fellows and City cemeteries.

The line of march was formed on Water street, and led up Main street hill to the cemeteries. It was led by the Weston Cornet band in uniform, and next in line were the veterans, with C. F. Buifinch as color bearer. Then came the school children and afterward members of the several local lodges. Automobiles brought up the rear.

Upon returning to town the people assembled in the city park, where pleasing and impressive exercises were held. The program opened with "Washington Grays," a very beautiful memorial march by the band. The audience sang "America," and the invocation was given by Rev. W. B. Smith. The stirring "Hymn of the Marcellaise" was then sung by an octette of voices under the direction of A. W. Lundell. The address of the day was then given by Merritt A. Baker, a civil war veteran and for many years one of Weston's leading citizens. It was an eloquent and appropriate effort. Another song, "Tenting On the Old Camp Ground," was followed by the benediction and the closing band number.

The Grand Army of the Republic was represented by Allen Diehl, C. F. Buifinch, A. T. Metz, W. E. Driskell, Merritt A. Baker, G. W. Davidson and L. S. Wood. Frank Snider was the only Spanish war veteran in line. Mr. Snider served as marshal of the parade.

The Weston ball tossers have a game scheduled for 2:30 p. m. next Sunday on the local grounds with the White House team of Walla Walla. They promise to give the visitors—who are said to have a crack team—a battle royal, and most respectfully and urgently invite the fans to attend in order that they won't be shy on the guarantee.

### Waddingham-Lieuallen Wedding

Miss Ethel Waddingham and Mr. Earl Lieuallen were united in marriage Sunday afternoon, May 27, at the home of the bride's parents, Mr. and Mrs. H. Waddingham. The wedding was a very pretty one, and was solemnized in the presence of a large number of relatives and friends.

The ring ceremony was used, Rev. W. B. Payne officiating. Little Nell Rose was ring bearer, and carried the emblem of wedlock in a beautiful

calla lily. The wedding march was played by Miss Gertrude Van Winkle, and the bride and groom were attended by Miss Daisy Waddingham and Mr. Fred Hendrickson. Many beautiful gifts, which included costly sets of cut glass and silverware, were received by the happy couple. Following the ceremony, a light repast was served.

Mr. and Mrs. Lieuallen began housekeeping at once in Walla Walla, where the bridegroom has a bank position. Both of them "grew up" in Weston, where they are held in the highest esteem.

## SELECTIVE DRAFT RULES ARE RIGID

Washington.—Emphasis is laid by Provost Marshal General Crowder on the fact that no man within the prescribed age limit except those already in the regular army and navy, the national guard in the federal service or reserve divisions of the naval service, are excused from registration for military service.

If a man's 31st birthday falls on June 5 he is exempt; if it falls on June 6 he must register. If a man is 21 years old the day of the census, he must register.

Failure to register means imprisonment with no alternative of fine.

Men seeking exemption from service because they support one or more dependents must be sure that the person they have in mind is "solely" dependent on them. Otherwise they must not "hide behind petticoats or children." The mere fact that one claims exemption will not necessarily exempt him.

The question upon which exemption of those with dependents will be determined, reads:

"Have you a father, mother, wife, child under 12, or a sister or brother, under 12, solely dependent upon you for support? (Specify which.)"

100,000 Americans Soon in France. London.—An official statement issued there says that counting the Americans serving in the British and French armies and the additional units ordered to France, there will shortly be 100,000 Americans in France.

McNary Named to Succeed Senator. Salem, Or.—Judge Charles L. McNary, republican, of Salem, was appointed United States senator for Oregon, by Governor Withycombe, to succeed Senator Harry Lane.

## WESTON BOY OF ELEVEN GIVES PIANO RECITAL

A delightfully interesting piano recital was given by Henry Craigen, pupil of Zilla Simpson, at the home of Mr. and Mrs. J. H. Price of this city on Wednesday evening, May 30, before a large and enthusiastic audience. The playing of Master Henry Craigen, a lad of eleven years, aroused especial interest and reflected great credit upon his teacher—showing careful preparation. In the interpretation of the numbers which lended great variety he displayed a very commendable technic for having studied only eight months. Throughout the recital, a beautiful singing tone and musically playing predominated, which is so characteristic of the results of the Malen Burnett School of Piano Playing, of which Miss Simpson is a member of the faculty. Perhaps the most favored numbers on the program were "Giant Steps," in which he demonstrated the art of pedaling; "Elfand Hours," with its beautiful tone color, and "Old Chief Metastakwa," with the song-like legato of the right hand melody and the characteristic Indian rhythm throughout the left hand part. The ensemble number, a trio played by Nina Price, Anna Lavender and Henry Craigen, proved of particular interest and in their rhythm and shading they played as one individual. At the close of the program Miss Simpson was requested to play and sing a group of numbers which she did in her usual brilliant and effective manner. The program is as follows:

- Duet—Test March .....Low
- Henry Craigen and Miss Simpson
- Going to Camp .....Terry
- The Wind .....Wing
- The Promise .....Watson
- Giant Steps .....Crosby-Adams
- Hurdy Gurdy Man .....Rogers
- Hero We Go .....Smith
- Tolling the Hoop .....Bell
- In the Fields .....Smith
- Elfand Horns .....Crosby-Adams
- Three Little Chickens .....Schaefer
- Old Chief Metastakwa .....Mokrejs
- Trio—With Light Hearts .....Porter
- Henry Craigen, Nina Price, Anna Lavender
