### BREVITIES

Mr. and Mrs. F. W. Long of Spokane were guests during the week of the R. G. Salings.

In Montana's list of citizens chosen in the recent draft the name of G. B. (Bayles) Baker appears.

Lloyd Ritchey left Wednesday for his home at Forest Grove, where a position awaits him in a barber shop.

Blaine Bailey and Emma Thoony, each a twelve-year-old patient, were operated upon Tuesday by Dr. Smith for the removal of tonsils and adenoids.

Earl G. Olsen, aviation recruit from Weston, has been ordered from Vancouver barracks to Fort Omaha, Nebraska, where he will attend the government school of flying.

Renewing his subscription, Jake Clark writes from Roy, Idaho, that the Leader is an indispensable visitor. He adds: "We are in need of rain here, and the crops are burning badly."

The report comes to Weston that unknown men have been killing fish with dynamite in convenient pools along the north fork of the Umatilla river. The scene of their nefarious work is so well sheltered, it is said, that detection is difficult, and they have been taking large quantities of trout.

Athena Press: H. A. Post, who has been connected with Athena High school for two years, has accepted a position in a Seattle high school at a salary of \$1100. Mr. Post will instruct in either History or English, will be connected with school athletics and possibly will have the management of the school paper.

Wasco, Morrow, Sherman and Gilliam counties all have poor crops, the estimate ranging from 40 to 60 percent of normal. One report has it that the Gilliam county average will not be more than seven bushels. All through Central Oregon the grain has been burning up, and unfavorable reports also come from Union and Baker counties east of the Blues. While Umatilla is badly hurt, we are said by experts to have the best prospect of any wheat-raising county in Oregon.

Answering the call to the colors R. C. French, for eight years educational secretary of the Portland Y. M. C. A., will go to the front as Y. M. C. A. secretary. His first service will probably be given to the American Lake cantonment, reports the Oregon Journal. He will give special attention to the educational and religious phases of the work of the great army and navy Y. M. C. A. organization. Before coming to Portland Mr. French was president of the State Normal School at Weston. Under his educational secretaryship the Portland Y. M. C. A. educational department has never had less than 1000 students each season.

Miss Florian Linklater of Portland has been elected to a position in the Weston High school, thus completing the list of local teachers. Miss Linklater was graduated 1915 from Reed college, Portland, and afterward took other work in the University of California. During the past two years she taught in the high school of Nez Perce, Idaho, where she was re-elected for another year. The principal there speaks very highly of her and her work, and she was also recommended to the Weston board by Superintendent-elect F. C. Fitzpatrick.

According to an official list received by Roy Tompkins yesterday from the county clerk, only three men were drawn from Weston in the first military draft. These are Mr. Tompkins, Frank Graham and Matt Vanderpool. Matt has enlisted, and Roy and Frank would have done likewise long ago if they had not been married men who are needed at home. The names of Earl Dudley and Albert James were printed in the daily newspapers as having been drawn from Weston, but neither appears in the official list.

Five young men of Weston and vicinity who enlisted in the Umatilla county troop of cavalry, left Wednesday morning for Pendleton—accompanying Dr. Best in his automobile—in response to orders to join the command. In the party were Rudolph Proebstel, Earl Rose, Matt J. Vanderpool, Fred Murray and Guy Johnson. Troop D will soon entrain for Clackamas, but will afterward go to the Palo Alto, California, training camp.

The Ladies' Guild will meet Thursday afternoon, August 2, at the home of Mrs. A. James.

We will appreciate your patronage and will do our best to deserve it. Weston Milling Co.

Mrs. W. L. Robbins has returned from her Portland visit, accompanied by her sister, Mrs. Elizabeth Sells.

Albert Geiss invested in a half section of Montana land while on a recent trip to Hingham with Ben Dupuis, the agent, who likewise bought a half section for himself.

Alleging cruel and inhuman treatment, Edith May Barnes has sued her husband, Sidney Barnes, for divorce and asks for custody of their three-year-old daughter. The parties were married at Weston in 1913. Peterson & Bishop are plaintiff's attorneys.

James Reeves, an Arizona cattleman, is visiting at the home of his parents in this city. His younger brother, "Curly" Reeves, a former Weston boy, is associated with him on a stock ranch about thirty miles from Prescott. The brothers are prospering, and of late years have been improving their herds with Hereford bulls.

### GREAT PICTURE AT PEOPLE'S THEATRE, ATHENA

On Monday evening next, July 30th, the great American Master Picture, "America is Ready," will be presented at the People's Theatre, Athena.

This startling reproduction answers many questions that are uppermost in the minds of Americans, especially regarding our war with Germany.

There has never been a film production before of this nature. It constitutes a revelation of Uncle Sam's fighting strength as it is today—on land, in the air and under the sea, which furnishes a most timely subject for this marvelous picture.

The dainty lyre soprano and cornetist, Rose Allen, wearing various uniforms of the United States Army, appears at each performance and introduces the latest patriotic songs and cornet solos.

"America is Ready," the Feature of all Features, has a powerful message for all real Americans, at the People's Theatre, Athena, on Monday evening, July 30th. Admission 10 and 25.—Adv.

### OFFICIAL DRAFT "POINTERS" OF LOCAL INTEREST

The Leader is in receipt of the following article from the Information Bureau of the Adjutant General's Office at Portland:

Within a few days official lists of the draft serial numbers, showing the order in which they were drawn in the lottery at Washington, will reach the various county exemption boards. Following receipt of these lists, the boards will notify the men called up on the first draft.

Until then it will not be necessary for those subject to call on the first draft to report. But as soon as they receive notification from their boards, they must report promptly on the day designated.

The first step taken by each board will be to post in a conspicuous place a list containing the names of all the men registered in its county or district, in the exact order in which they will be called on the first and all succeeding drafts. A copy of this list will also be given the press for publication.

Let it be emphasized again that this list will have not only the names of the men to be called out on the first draft, but of every man registered, in the order in which he must be called. No person whatsoever has any authority to change this order.

Having posted this list and given a copy to the press, the board will then notify by letter every man called up on the first draft. Each man will then be notified to appear before the board for physical examination on a specified date, which will be within seven days of the mailing of the notice.

Failure to receive this notice will not be accepted as an excuse for not appearing on the day set. The burden of appearing when he is called is on the man himself; there is a heavy penalty for failure to answer this call.

Remember that regardless of whether a man intends to apply for exemption or discharge, he MUST appear for physical examination on the day set. He has seven days from the posting of the list and the mailing of the notice to him by the board in which to file application for exemption, and ten more days in which to file proof.

And remember again, that no

claims for exemption because of employment in necessary industries, including agriculture, can be considered by your county exemption board.

Such a claim must be made to one of the three district appeal boards, at Portland, Eugene or La Grande. It can only be made then AFTER the man has passed his physical examination and been certified by the county board as called for military service and not exempt.

After you have appeared before the county exemption board and passed the physical examination, it will still be some time before you will actually be called out to join the army. You will be notified when it is time for you to report for service.
