

Our Second Anniversary Sale and FALL OPENING

will start **SATURDAY**, the 15th. Just two years ago Saturday our store opened its doors to the public. That the store is appreciated is shown by the splendid patronage. We feel that much more is expected of us this season, and to make our store the trade magnet of this section we have assembled an unusually attractive line of ladies' ready-to-wear garments, men's clothing, boys' suits, silk and wool dress goods. In fact, you can supply your wants for fall right here and know that the style is right, the material the best that money can buy and the price far lower than you would pay in the city.

Never before in the history of Weston has there been so complete a showing of coats, suits and dresses. You will think you are in a large city store when you see this line Saturday. One hundred coats and as many suits and dresses will be assembled for your inspection---no two alike of the nicer ones. The season's new military effects---rich velvets, plushes, fur trimmed and plain. While coats and dresses will be by far the most popular, we have a good assortment of suits in the new colors and pretty, attractive styles. You will like them on display Saturday. Do not fail to come.

WESTON STYLE and FASHION SHOW

Friday the 14th, 8 p. m., Weston Opera House

Everything is in readiness for the style and fashion show for Friday evening, as per announcement last week. Our showing of ladies' coats, suits and dresses will be extraordinary indeed. Our boys' suits will be shown from live models in attractive pose. Men's suits and overcoats will have a place. Music by the orchestra. There will be no charge for admittance. Curtain promptly at 8 o'clock.

MILLINERY

Our customers will be pleased to know that Mrs. Rabb will again represent Miss Moore of Walla Walla with a better line of millinery than in any previous season. Miss Moore has been east for the past two months selecting from the best markets and is enthusiastic over the surpassing beauty of the fall styles. "We are busy," she tells us, "selecting and packing for Weston hats the best stores are showing, and will be in a position to suit the most exacting."

Extra salespeople are provided for Saturday.

WESTON MERCANTILE CO.

BREVITIES

Dr. and Mrs. F. D. Watts and Worth Watts motored home Saturday from Camp McDougal.

Miss Gertrude Van Winkle and Miss Rene Banister were week end guests of the Misses McRae at Walla Walla.

G. W. Staggs and family and Emery Staggs and family will motor next week on an after harvest vacation to Wallowa lake.

Miss Meryl Kepler of the Whitman Conservatory of Music, Walla Walla, and Mrs. Claud Still of Milton called on friends in Weston Wednesday.

Mr. and Mrs. H. Waddingham, Miss Daisy Waddingham, Mr. and Mrs. Arthur Ross and Master Neil Ross have gone to Enterprise, Oregon, for a visit with Mr. and Mrs. J. L. Staggs.

The management of the Harvest Ball at Weston opera house tomorrow evening promises a royal good time for all who come. Joe Payant's orchestra of five pieces will furnish music.

While driving up the mountain road a few days ago W. L. Smuck had rather a "narrow squeak" in an auto mishap, but escaped without injury. The brakes refused to hold at a critical time and his car tipped over.

Jasper O'Harra was here last week from Central Point, Oregon, and had a great visit with his brothers and with Sim Barnes and Emley Ridenour—who were boon companions of the O'Harra boys in pioneer times.

Rev. L. L. Epley, president of Philomath College, Philomath, Oregon, was in town a few days this week in the interests of the college. He met with considerable success, and it is expected that several boys and girls of Weston will attend the Philomath institution.

Percy M. Johnson, representing the Cadillac Company of Pendleton, came up Saturday with a load of three Smith Form-a-Trucks for H. L. Hedrick, the local agent. He carried the load of 3700 pounds on another Form-a-Truck, and made the trip in a little more than one hour.

WESTON SCHOOLS

The Weston schools will open Monday, September 10.

The board of directors has now the entire faculty selected. Mr. F. C. Fitzpatrick is superintendent. He has had twelve years experience in teaching, during which time he has taught in the states of Indiana, Washington and Oregon. He was for four years principal of the Roseburg High school at Roseburg, Oregon.

Miss Florence Simmons of McCook, Nebraska, comes highly recommended. She will teach Latin and English. Miss Simmons taught the past two years in the McCook High school.

Mr. O. B. Needham will have charge of Manual Training and other work in the High school. He is a young man with several years teaching experience, and taught the past two years in the Harrisburg, Oregon, High.

In the grades, we are again fortunate in having Miss Rintoul for the First and Second. She has been with us for the past few years and has made a splendid success.

Miss Vera Tipton of Roseburg, Oregon, will teach the Third and Fourth grades. Miss Tipton was a successful teacher the past few years in the Douglas county, Oregon, schools.

Mrs. Luella Pinkerton will teach the Fifth and Sixth grades. She has had a number of years of successful teaching experience. She taught last year in District No. 11 near Weston.

Miss Dorothy Clark of Portland will teach the Seventh grade. She is a strong teacher and comes with the best of recommendations. Miss Clark taught in Roseburg, Oregon, last year and has had teaching experience in other states.

Mr. Walter Hercher will teach the Eighth grade. He has taught the past few years in Douglas county, Oregon. Last year he very successfully taught the Eighth grade in the Myrtle Creek City schools. He is a capable instructor.

Superintendent Fitzpatrick desires that all pupils get into school the opening day, or as soon as possible thereafter. The attendance is expected to be larger than that of last year.

All parents having children who are beginning school for the first

time should make an extra effort to get them there the first day, so that the entire class may be started together.

It is hoped that the students who have completed the Eighth grade work will avail themselves of the opportunity of going on through the High school.

Gifted Musician Coming

Quite an addition to the musical atmosphere of Weston will be the coming of Miss Edna Hanna to represent the Malen Burnett School of Piano Playing. Miss Hanna graduated at Lindenwood College near St. Louis, Mo., under Miss Burnett before Miss Burnett came West. Miss Hanna then went to Europe, where she remained two years studying piano, voice and harmony. She then returned to this country to teach at her former college, where she has been up to the present time. For the past two years she has been head of the Piano department of Lindenwood College. Miss Hanna is filling the vacancy caused by the leave of absence granted Miss Zilla Simpson, whose work here has been so highly praised and who is to study in New York this winter. Miss Hanna will open her studio here Wednesday, September 12th.

It is obligatory upon school superintendents, in counties which are under the high school tuition law, to pay the tuition of students from that county who reside in districts having no high school and who attend high school in another district or county, according to an opinion given by Attorney General Brown to J. A. Churchill, superintendent of public instruction.

Wasco, Moro and Grass Valley, the three principal cities of Sherman county, have each granted franchises to a group of promoters said to be working in the interests of the Pacific Power & Light company, for a 24-hour electric light and power service, to be supplied from the White river falls. Work is expected to begin within 60 days on the installation of the new system.

The number of industrial accidents continues to climb, according to the weekly report of the state industrial accident commission. During the past week 458 accidents were reported, this being the largest number for any week since the workmen's compensation law went into effect. Three of the accidents were fatal.

CABIN OF PIONEER RELICS A POW-WOW FEATURE

Walla Walla, Wash., Sept. 6.—Early pioneers of the Walla Walla valley, now scattered over the Northwest, will make a special effort to be in Walla Walla for the first annual Pioneer Pow-wow September 13, 14 and 15, according to letters received from many of them.

The pioneers' cabin at the fair grounds, erected by the early settlers principally at the instigation of the late W. P. Winans, will be headquarters. Here will be displayed the treasured relics of the pioneers—old utensils, books, weapons, implements, fancy work, etc.—and here will gather the pioneers to sit around the campfire and retell the story of their lives in this vicinity before Walla Walla was anything but a village.

There is hardly an early settler in the Northwest who at some time did not live in or visit Walla Walla, which in pioneer days was the principal trading point. Here came the miners to try their luck at gambling or in other primitive "good time ways" now frowned upon; here came the stock raisers and early farmers and here, in fact, came everybody in the early days.

There are so many of the men and women who were here at that time now living in the Northwest, that it is believed there will be an unusually large attendance this year. Every effort will be made to have them feel at home. The whole show is being prepared with a view to pleasing the greatest number.

Each afternoon of the three days there will be the events on the track and in the arena—riding, roping, broncho busting, bulldogging, etc., and as the best riders and ropers will be found in the Northwest will be here, the programs will be snappy. The Great Wortham Shows will furnish the uptown night attractions. This is the largest carnival company in the West.

United Brethren.—Preaching at 11 a. m. and 8 p. m. Morning subject, "A Greater Controversy." Evening subject, "A Kingdom Lost." Other services at the usual hours. The church will be pleased to welcome you. E. F. Wriggle, pastor.
