BREVITIES

Dick DeMoss has the measles—his second such experience within a year.

Mrs. C. W. Brownfield of Pendleton was a visitor in Weston yesterday.

Lost—a pair of eye glasses in case.—Finder will kindly return to this office.

Mrs. J. F. Snider returned Monday from a visit to her mother at Dayton, Wash.

Mrs. C. E. Fisk is leaving Sunday for Seaside to attend the grand lodge of Rebekahs.

H. L. Hedrick and family have moved into the Mrs. Duncan residence on Washington street.

Ray (otherwise young Pete) O'Harra has gone to Pendleton to take a position with the Pendleton Auto Co.

Mrs. L. T. McBride, who has been quite ill of late, has gone to the McBride Bros. farm for a country sojourn.

I am now handling supplies for Overland cars; also vacuum cup casings of all sizes, and batteries. Dr. S. L. Kennard.

Immediately after receiving his diploma from Weston High, Rulon Smith leaves for Prairie City, Oregon, to take a bank position.

Mrs. Dick Harris of Hingham, Montana, is visiting relatives in Weston and vicinity. She will make the return trip in the Harris car.

Mr. and Mrs. S. A. Barnes and Mr. and Mrs. J. E. Stanfield are leaving tomorrow to attend the grand lodge of Odd Fellows at Seaside.

A tea will be given at the local Red Cross rooms on Saturday afternoon. Everyone is cordially invited to attend. No more Red Cross sewing will be done until further notice.

S. S. Shields, the Milton-Free-water produce dealer, was in town during the first of the week and bought a car of potatoes. Mr. Shields was once so fortunate as to be a Weston resident.

Mr. and Mrs. S. J. Culley and Maxine Culley, Mr. and Mrs. A. James and Donald James, Clyde DeGraw and Clark Wood motored to Bingham Sunday in the Culley Hudson for a day on the river.

Mrs. Emma M. Kinney, grand chief of the Pythian Sisters of Oregon, will visit Stephanie Temple No. 34 next Tuesday evening, May 21, when it is desired that all members who can possibly do so attend.

Fred Pittman made a beautiful catch of trout—fifteen in number only, but large ones—in the Umattilla river Sunday. Others found the river too high for good fishing, but Fred has both the patience and the know how.

The Weston postoffice was broken into a few days ago but nothing of value was taken. The culprits happened to be Postmaster Van Winkle himself and Magistrate Lieut. Uncle Sam's worthy local representative having very inconsiderately locked himself out.

Lester O'Harra, Vrgil Lundell, Happy Graham and Carl Brandt spent Sunday on McKay creek and had good fun but poor fishing. Eight trout only were taken by the party. Will Price went out the same day on our own little Pine creek and took ten nice ones—getting back, by the way, in time for church.

The Misses Helen Ross and Helen Kinne of Whitman College were guests of the families of J. H. Williams and Dr. Watts Saturday and Sunday. Because of the trials and tribulations endured by their respective families in homestead days on the Clearwater in Idaho, a warm friendship is enjoyed between the guests and their Weston hosts, and many pleasant memories were revived of their mutual experience in "roughing it." Their return to college by auto was quite in contrast to the packhorse train in the tall timber.

Wheat in Washington and Idaho is in excellent condition with every prospect for a heavy crop, according to field agents of the two states who have just compiled reports. E. T. Marchetti, U. S. Agent for Washington, with headquarters at Spokane, estimates a total acreage sown of 422,000. He finds the condition 90 percent as against 80 percent at this time last year. The acreage abandoned is estimated at five percent compared with 33 percent last year and an average of 9.2 percent in previous years—indicating the desire everywhere to increase wheat production.

Mailed Fiat Hits Russia Again. Washington.—Details of the latest German demands on Russia, received at the state department from Swedish sources, show that Russia has been asked to make financial concessions, to give up Moscow and other large cities to the Germans, to cease arming troops and to dissolve all recently formed military units.

Lithuania to Share War Burden. Amsterdam.—Emperor William has issued a proclamation concerning Lithuania, in which he says it is assumed Lithuania will participate in the war burdens of Germany.
