Highest price paid for chickens at the Weston market.

Loose alfalfa hay, first-class quality, for sale. W. M. Davis.

Mrs. Margaret Rabb is leaving tomorrow for a visit with friends at Portland.

Miss Violet Wriggle resumed teaching Monday in her school near Pendleton.

Conforming to the law of progress, the local Baptist parsonage has been wired for electric lights.

Members of the Bachelor Girls club were pleasantly entertained Monday evening by Miss Ruby Priole.

Rev. S. E. Powell has gone to Walla Walla to conduct a series of evangelistic meetings at the Marvin Methodist church.

Honorably discharged from the army of Uncle Sam, Private Elmer Ferguson came in this morning from Camp Lewis.

For Sale—Two 3 bottom, 16-inch new style Flying Dutchman plows; only been used few days. Will sell cheap. Chas. Betts, phone 30F13, Athena.

Mrs. Geo. W. Baker of Wallace, Idaho, arrived today for a visit with her brother, Private Earl Rose, and mother, Mrs. Marion O'Harra.

The ground hereabouts is covered with several inches of snow, which meets the views of those who would rather take their winter now than later on.

Mrs. Clem Duncan was taken ill last Saturday while visiting at the home of Mr. and Mrs. Iven O'Harra, with influenza in mild form. She is recovering.

Guy Cronk, district manager of the Standard Oil Co., was in town Saturday from Athena accompanied by his brother, who is visiting him from Emmett, Idaho.

Mrs. Rhoda Beck of Walla Walla, member of a well known pioneer family of this section, was here last week for a few days' visit with her daughter, Mrs. C. H. Nelson.

Returning from Corvallis, where he took the short course in tractors at Oregon Agricultural College, Eldon King left for Spokane this week to attend the Holt school.

Robert Mills of Walla Walla, who recently received an honorable discharge from the United States navy, was a guest during the week at the home of Rev. W. R. Storms.

I will wait until February 20, 1919, and no longer, for the settlement of accounts due me. These will then be collected through Fee & Fee, my attorneys. W. L. Robbins.

Lost—On the streets, a lady's purse containing rings, papers and money. If finder will kindly return purse, rings and papers to this office, the money may be retained as a reward.

W. L. Rayborn went to Pendleton Monday to engage in jury service and was drawn on the grand jury. He was thus enabled to come home, as that body will not meet again until the next term.

Overland cars continue in active demand in the local automobile market. Dr. Kennard sold a Light Four this week to Edgar A. Simpson, and a 1919 model of the Light Four to Herman Goodwin.

Tom Eagleton, the 17-year-old son of Mr. and Mrs. M. C. Eagleton of this city, has enlisted in the navy, after first obtaining the consent of his parents. He has gone to Bremerton, Wash., for training.

Peter Weidert has brought suit against Henry Barrett to eject defendant from land belonging to plaintiff and held by defendant under lease. The complaint alleges that the terms of the lease have been violated, and damages to the amount of \$2500 are also claimed.

Miss Cora Beamer of Weston and Mr. John Mayberry of Milton were united in marriage Sunday at Pendleton. The bride is a popular high school girl, the daughter of Mr. and Mrs. John Beamer, prominent among Weston's long-resident families. Mr. and Mrs. Mayberry have the good wishes of a host of friends throughout the countryside.

A surprise party was given Saturday evening in honor of Rev. S. E. Powell, pastor of the Methodist church, who had just reached his 39th birthday anniversary. Assembling to the number of 40 or more at the residence of Mr. and Mrs. E. M. Smith, the friends went to the parsonage in a body and spent a jolly evening. An informal program of games and music was rendered and cake and coffee served.

Colonel Raley and Judge Fee, the veteran Pendleton lawyers, have gone to San Francisco, where they will oppose one another in the case of Jerusha Crabbe vs. Marvel L. and Homer I. Watts, involving the disposition of certain lands of the Watts estate. Fee represents the plaintiff and Raley the defendants. The case goes to the circuit court of appeals at San Francisco from the district court at Portland.

"I herewith enclose check for two bones for the Leader another year—it is looked for like a letter from home," are the kind words written us by J. A. Stolp from Rockford, Wash. He says they are now having another winter up there after two weeks of spring weather in January.

There will be work at Red Cross headquarters Tuesday and Friday afternoons. The rooms will be open at one o'clock and all members are earnestly requested to come and assist in the work assigned to the local auxiliary.

At a recent meeting of the Weston school board all the members of the present teaching force were re-elected for the succeeding school year. None of the contracts have as yet been signed, however.

With only two negative votes Senator Ritner's bill increasing the salary of the Umatilla county judge from \$1200 to \$1800 a year has passed the state senate.

Tankii, the modern auto fuel, prevents formation of carbon. See A. Phillips, local agent.

NAILS

(For the want of a nail the shoe, horse, rider and war were lost.)

Whether for male shoes, female shoes, horse shoes or cow shoes---

WE'VE GOT 'EM

Whether the kind your grandfather used, or the kind mother used to fix the hencoop, or the kind little brother is using to make a gunboat---

WE'VE GOT 'EM

Whether for planking a county bridge, or laying E. O. DeMoss' linoleum, or what Bridget used to spoil a rival's face---

WE'VE GOT 'EM

The real old cut 10 penny, 40 penny spikes; the 6 penny finish or the 8 penny wrought---

WE'VE GOT 'EM

Take your choice at **HALF** the regular price. One keg of choice mixed wire nails for 6c straight. The whole batch totaling 3 or 4 kegs for 4c straight. All regular wire stock, 8 cents.

We are nailed to the cross.

We have nailed a lie.

The "flu" puts a nail in your coffin.

The devil—a nail in your tire.

Come and see our Harness made to order for you. Look over the Plows, Wagons, Engines and Electric Washers.
