### Edmund Beathe Laid to Rest

Escorted to Weston from Seattle by his sorrowing parents, Mr. and Mrs. F. H. Beathe, and other relatives, the remains of the late Edmund Beathe were laid to rest Thursday morning in Masonic cemetery. The burial service was conducted by Rev. W. S. Payne. He paid brief but feeling tribute to the memory of the departed Weston boy, whose promising life had been cut short while in the service of his country. The casket was hidden beneath its load of beautiful flowers. The following sketch was read at the grave by the minister:

"James Edmund Beathe was born in Weston, Umatilla county, Oregon, June 23, 1893, and died suddenly in New York City April 10, 1919, at the age of twenty-five years, nine months and seventeen days. He leaves a father, mother, five brothers, four sisters and many friends to mourn his death.

"He grew to manhood in Weston, and since then had spent most of his time sailing on transports from Seattle to foreign ports. He had just returned from France prior to his death.

"Edmund was always a jolly, good-natured boy; he always saw the bright side of life. He was a kind and loving son and brother and his first thoughts were always for the good of his parents."
