FACTS OF INTEREST TO THE INCOME TAX PAYER

All persons desiring me to figure their income tax for them this year would do well to note the following: If you are a single person and also are not acting as head of a family, if your gross income is \$1000 you must make a return, regardless of what your net income is.

If you are a married person or if you are acting as head of a family, if your gross income is \$2000 you must make a return, regardless of what your net income is.

If you made a return last year you no doubt will have sent you Form 1040 A, providing your net income was less than \$5000, and Form 1040 if your net income was above \$5000. If your net income is over \$5000 this year you need Form 1040; if less than \$5000, you need Form 1040A.

The ruling requires all farmers or farm owners renting their farms out on shares to fill out Form Schedule 1040F. All farmers or farm owners will please send for two of the forms 1040F.

The department further requires this year that you fill out Form 1099 for every person to whom you have paid \$1000 or more during the year, whether this be paid in cash, grain rent or other things of value. You need as many of these forms as there are persons to whom you have paid the sum of \$1000 or more during the year. You need one other form—known as Form 1096—in the event you have paid \$1000 or more to any one person.

Every farmer or farm owner would better send at once to Milton A. Miller, Collector of Internal Revenue, Portland, Oregon, for two forms 1040F. (Merchants or professional men do not need these forms.) All persons having to make returns—farmers, merchants and professional men who have paid to any person or corporation \$1000 or more—should send for two forms 1096 and from one to four forms 1099.

The department is rather slow in sending out the forms this year, so that it is advisable to send at once for these. The department requires Forms 1096 and 1099 to be at Washington, D. C., on or before March 15, 1920. Your income returns are required to be at Portland, Oregon, on or before March 15.

Death Claims Mrs. A. W. Lundell

Much to the sorrow of all who knew her, Mrs. A. W. Lundell was called by death Monday at the family home in this city from heart trouble, following an attack of influenza. The remains were laid to rest Wednesday morning in I. O. O. F. cemetery, where services were conducted by Rev. A. J. Starnier and appropriate hymns were sung by a quartette. The floral tributes were many and beautiful.

Nina Naomi Akers Lundell was born March 25, 1874, near Leon, Iowa. When about six years old she came with her parents to Oregon, where they settled in Morrow county. She was married November 1, 1896, to August W. Lundell. They were the parents of three sons and one daughter—Leon W., Virgil E., Frank Harvey and Eva Leonora Lundell—all of whom survive to mourn the loss of a kind and loving mother.

In 1910 she was baptized and united with the First Christian church of Ione, Oregon, in which she was a willing worker. Coming to Weston in 1915, she identified herself with the M. E. Church, South, and became a member of the Missionary society of that church. She was also a member of the Rebekah lodge of this city.

Mrs. Lundell had been in precarious health for many years and death was neither feared nor unexpected by her. On January 29 she was stricken with the fatal illness which took her from the home circle despite all that could be done by skillful and loving hands. Her husband pays her this tribute:

"She was a lovable character; a good friend and neighbor, always ready to do her bit; a most loving wife and mother. Peace to her ashes."

Pig clubs to be organized in Spokane county, Washington, will receive 100 sows this year. Boys and girls participating will not be called on for a penny but will be asked to follow the instructions of club leaders in caring for sows and their litters. The prizes include a \$175 trip to the International show at Chicago. Armour & Co. are behind the movement in cooperation with the extension department of Washington state college. Exhibits will be made at the Spokane Interstate fair in the fall.

Automobilists say that the road to Walla Walla is good as far as Milton, but that the Washington road is in very bad condition. The majority of people drive to Milton and complete the trip by trolley.

OUR BELOVED LINCOLN

Born February 12, 1809

(From Lincoln's speech given at Washington July 10, 1848:)

"The way for a young man to rise is to improve himself every way he can, never suspecting that anybody wishes to hinder him. Allow me to assure you that suspicion and jealousy never did help any man in any situation. There may sometimes be ungenerous attempts to keep a young man down; and they will succeed, too, if he allows his mind to be diverted from its true channel to brood over the attempted injury. Cast about, and see if this feeling has not injured every person you have ever known to fall into it."
