The **GAINADAY** Electric Washer and Wringer now sold in Walla Walla by **THE DAVIS-KASER CO.**

In addition to the "One Minute," the "dolly" type of Washer, we now have the "Gainaday"—the cylinder style of washer; in order that our trade may choose from either of these two best makes of electric washer:

The swinger wringer, the large capacity cylinder, the protected working parts, the small amount of current required, are a few of the good points of the "Gainaday." And it is sold on easy terms—\$10 down and \$10 per month. Let us show you how to take the drudgery out of wash days.

Measures to be submitted to the voters of Oregon at the special election to be held on May 21 are to be printed on a ballot of their own and not on the regular primary nominating ballot, according to a legal opinion given by Attorney-General Brown. This is necessary, according to the attorney-general, for the reason that only the republican and democratic parties are represented at the primaries and persons of other political affiliation would be deprived of their right to vote on the measures.

The Farmers Bank of Weston

Established 1891

Save and Pay Up

Treasury Department advises that it is just as necessary to save at this time as during the war. Production is low and distribution hampered by lack of cars.

In your program of saving it might be well to visit the Weston Mercantile Co. during their sale and purchase such supplies as you may need while the price is reduced. Do not forget that Jones & Jones carry a complete, up-to-date stock of farm and home supplies. Other Weston stores have complete stocks in their lines and
