

## BUSINESS BY LONG DISTANCE TELEPHONE

There seldom is a business transaction between men in different places that cannot be completed by telephone, and in many instances in less time than it takes to dictate the average business letter.

Consider the time taken by correspondence and the unavoidable delays of the mails. Try the long-distance telephone in your out-of-town business transactions.

Recent improvements in transmission have made it possible to talk satisfactorily to any point in this country.

Long-distance service is the direct and economical method of communication and does away with undue expense and delay.

## LOCALS TOSS OFF GAME TO INVADERS FROM HELIX

The Weston Mountaineers suffered from a bad case of heaves Sunday on the local lot, and literally threw the game away. Unless the boys recover from their tendency to heave 'em high they'll have to get a first baseman who could stand at the base of Mount Hood and claw snow off the top. Once or twice they threw 'em low by way of variety, but in general the sphere went high by a mile.

Canuck Kennard would have had the game well in hand but for the erratic fielding and throwing of his teammates. The boys showed a big improvement in batting, but not after Kelly Pierce went in for the invaders. This brick-topped veteran cruelly whiffed ten of our gallant lads in the five innings he worked.

One Mr. Clark of Helix smashed out a homer in the seventh. The ball sailed aloft into the right garden and didn't stop sailing for two-three miles—maybe four. It wasn't considerable of Mr. Clark, but perhaps he was entitled to act that way. He's a real American, you know. His revered ancestors didn't come over in the Mayflower, but were here when the Mayflower came.

Weston's outfield again worked beautifully, and Oliver in center made what looked to be an utterly impossible catch. The lusty blows for extra bases of Kirkpatrick and Kennard helped in the local scoring.

But they beat us, twelve to nine, "and that's all there are too it" in the final analysis. Pendleton defeated Pilot Rock Sunday, six to five. Next Sunday the locals go to Helix.

### W. H. S. Commencement

A class of three members was graduated last evening from Weston High school, with appropriate and interesting exercises at Memorial hall. They are:

Harold M. Phinney, Orrille William, Claude Snider. Harold Phinney will receive a scholarship from one of the six associated colleges in Oregon.

Outstanding features of the exercises were the strong address by Rev. G. L. Clark of the First Presbyterian church, Pendleton, and the beautiful soprano solos sung by Miss Anna Peyton Compton of Whitman Conservatory, Walla Walla. Miss Compton was accompanied by Miss Louise Smith, also of the conservatory. The program included:

Processional, Miss Mina Price; invocation, Rev. Mark A. Phinney; solo, Miss Anna Peyton Compton; address, "The Trade-mark of a Builder," Rev. G. L. Clark; solo, Miss Compton; announcements, Supt. F. C. Fitzpatrick; presentation of diplomas, Chairman J. M. Banister; benediction, Mr. Phinney.

The baccalaureate service was held Sunday evening at the M. E. Church, South. An effective address was given by Rev. Mark A. Phinney, and special music was a pleasing feature of the service. Elder John Bonewitz offered prayer, and scripture was read by Rev. A. J. Starnes.

Mrs. Geo. W. Proebstel Sr., accompanied by her sister, Mrs. Gardner, and nephew, Fred D. Smith, were passengers for Portland Sunday morning. Mrs. Proebstel plans to remain indefinitely with relatives and friends in the Rose City.
