The Zanesville Courier of the self and his God. 18th furnishes the following particulars of a most distressing tragedy which took place in that city on Tuesday last: The citizens of this community were

GREATLY SHOCKED

at an early hour yesterday evening by the intelligence of the death of C. H. Durban and wife, which had just taken place at the residenc of Judge Evans, in the sixth Ward, under the most sad and painful circumstances-the one dying from the effects of a pistol ball in the head, fired by his own hand, while his wife lay dying in the same room of a lingering disease-consumption-and expiring ten minutes after her husband had gone into eternity. That our citizens were startled by the announcement would but faintly express the feellings of sadness and horror at the event, and of the sympathy for the parents, relatives and freinds of the deceased. The circumstances of this painful occurrence, as near as we can gather them are as follows:
