When does rain become too familiar with a lady? When it begins to patter on the back.

As the climbing up a sandy way is to the feet of the aged, so is a wife full of words to a quiet man.

The President is dismissing all the Federal officers employed in Arkansas opposed to Senator Clayton.

It was expected that the California and Oregon Railrod would be completed to Red Bluff by the 15th inst.

A Connecticut editor unkindly alludes to a rival editor's head as the polar regions, because it is a great white baren place.

Grant can afford to expend $50,000 to shelter his fine horses, but could only spare $1,000 to build shanties for the sufferers by the Chicago fire.

After mourning the death of his wife for six months, a man at Selby depot, Tennessee, has married his mother-in-law, aged sixty. He was forty years old.

When you see a young lady making a fuss over a widower's children, make up your mind that if she soon don't have the right to spank 'em it won't be her fault.

The estimated cost of building a bridge across the bay of San Francisco varies from a million and a half to sixteen million of dollars, according to the character of the structure.

There are now over three hundred women at the Broadway (N. Y.) theatres who can kick a man's hat off, though he be six feet high. Who says art has not a upward tendency?

The *Sun* says that the marrying fever has become epidemic in Colusa. The editor feels bad to see the girls, whom he has kissed so often, going off and marrying other fellows.

At a colored convention at Columbia, S. C., a letter was read from Senator Sumner, urging the colored people to insist upon the rights still denied, such as equality in public conveyances, hotels and schools.

A Boston girl who has been engaged to an officer in the navy for three years, and writes to him every day, begins to look upon the whole thing as a sad waste of paper and postage stamps.

Jennie writes to us to ask what she can call a fellow she is "dead" down on, without rendering her liable to arrest for libel. Call him a "carbolized wallapus;" it sounds bad, but they can't touch you for it.

A Miss of twenty, lecturing out west on woman suffrage, marriages, etc., gives this powerful advice to her wedded sisters: "If you hate your husband, shake him and live or look up an affinity."

Grant receives $25,000 a year as regular salary, and in two years received presents to the amount of one hundred and fifty thousand dollars. He gave one thousand dollars to the sufferers by the Chicago fire.

The *Golden Age* recommends fashion periodicals as the surest antidotes to polygamy. It says; Dry goods bills will do for Utah's peculiar institution what Congressional bills have thus far failed to accomplish.

A young man says that there may have been such a thing as real true love in old times, but that now the notion is entirely obsolete; and if you ask a young lady now-a-days to share your lot, she immediately wants to know how large that 'lot' is.

As the burnt district in Chicago is cleared, it becomes evident that many more lives were lost than was at first supposed. Bodies are being found in all directions, buried under the ruins, but in most cases they are crushed and mangled beyond the possibility of recognition.

A jury in North Carolina, after being "charged" in the usual way by his honor, retired, when a white juror ventured to ask a colored associate if he understood the charge of the Judge. "Golly," exclaimed the astonished amendment, "he doesn't charge us nuffin for dat, does he? Why, I thought we was gwine to get pay."

Mrs. Pralamop says she does not understand what they mean by "The Dead March *in* Saul." She is not aware that the dead march anywhere or under any circumstances. She shook her head in persistent bewilderment when some one informed her that, that the Dead March *in* Saul meant the Dead March *out* of Saul.

The curious fact that a needle or other steel wire inserted in a living body will immediately become oxidized, while, if the body be dead, no oxidation will take place, was recently brought to light by Dr. Laborde, of Paris. This is a simple test as to whether death has taken place, and will be available in case of trance or catalepsy.

In Sheffield, England, a single manufacturing establishment uses 621 tons of steel annually in making pens, the product averaging 1,000,000,000 pens per ton.

SINGULAR.—The Osage (Iowa) *Press* says: "Wednesday morning, as Mrs. Pierce was preparing eggs to be used in cakes, she was somewhat surprised, upon breaking the second one into a teacup, when she saw the contents. There were several large pieces of liver, looking as though they had been cut up in square pieces and fed to the hen, which were snugly encompassed in one end of the egg. The question is, how did these pieces of liver come to be in the egg? The egg was perfectly sound and fresh."

THE KU-KLUX BILL.—Fairly stunned by the announcement of 30,000 Democratic majority in Texas, says the New York *World*, and desparing to carry the Southern States by fair means, Grant has resolved to carry them by any means. Hence the Ku-Klux proclamation and the armed invasion of South Carolina, the wholesale arrests of citizens of that State, and the inauguration of a new rebellion—this time of the Federal Government against the South.

BLUSHED.—A new song, "Kiss me," is being published in Louisville. A sweet and blushing maid heard of it, proceeded to a music store, and said to a modest clerk: "I want Rock Me to Sleep." The piece of music was laid before her. "Now," said she, "I want the 'Wandering Refugee,'" and it was produced; "and," she continued, "now 'Kiss Me.'" The young man blushed, stammered and begged to be excused.

One Blocker, who owns a field near Gettysburg, in which two Confederate soldiers were buried, according to the Savannah *News*, recently refused to allow their bodies to be exhumed unless he received payment for allowing them to remain so long, and when this was positively refused, took a set of teeth attached to a gold plate from the mouth of one of the dead men and kept them. This is the meanest man so far on record.

PRINTERS.—The President of the Montreal Typographical Union said in a speech at the anniversary of that society the other day that "printers form most obedient, indulgent and loving husbands." This gratifying tribute to the domestic virtues of the printer struck a chord in many tender hearts, and the type of men thus praised will be set up in the world's estimation henceforth.

If the son turns out badly, it is rarely the mothers (God bless them) who are to blame, but the fathers who have been in fault, not making friends of their sons, trying to rule by terror and not affection, as if the hearts were not the most powerful thing of all. A tyrant father naturally produces a deceitful and unloving child.

A child was born blind in Penn Yan a short time ago. Its eyelids were cut open by a doctor, and the child sees perfectly.

The oldest business in the world—the nursery business.

TARRANT'S SELTZER APERIENT

Under a Burning Sun, where Billious affections and Fevers of various descriptions so generally prevail,

Tarrant's Effervescent Seltzer Aperient

Has been successful beyond all parallel. Hence the physicians of the tropics give it their emphatic sanction, prescribing it in preference to every other aperient in use. The patients, of course, gladly acquiesce, for this preparation is one of the most delightful, as well as mild and cooling cathartics, chemistry has yet devised, and possesses every medical virtue of the far-famed German Seltzer Spa. It is a powder that only requires the addition of water to produce in an instant a delicious effervescent beverage, as well as an invaluable medicine. **Ask for and accept none but the genuine.**

The Great Medical Discovery!

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.

They are a Gentle Purgative as well as a Tonic, possessing the combined merits of all the best Purgatives, Tonics and Alteratives ever known, being the only perfect Cathartic and Blood Purifying agent in existence, relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that leave the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Cough, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

PRIVATE MEDICAL AID.

Quick Cures and Moderate Charges.

Dr. W. K. Doherty's

Private Medical & Surgical Institute

No. 519 Sacramento Street, corner of Leidesdorff, (a few doors below the What Cheer House.)

(Private entrance on Leidesdorff street.)

Established Expressly to Afford the Afflicted Sound and Scientific Medical Aid, in the Treatment and Cure of all Private and Chronic Diseases, Cases of Secrecy and all Sexual Disorders.

To the Afflicted.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal Emissions, Sexual Debility, Diseases of the Back and Loins, inflammation of the Bladder and Kidneys, etc.; and he hopes that his long experience and successful practice will continue to insure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references of unquestionable veracity from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment and implicit secrecy.

To Females.

When a female is in trouble, or afflicted with disease, as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility and all other diseases peculiar to females, she should go or write at once to the celebrated female doctor, W. K. DOHERTY, at his Medical Institute, and consult him about her troubles and diseases. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All married ladies, whose delicate health or other circumstances prevent an increase in their families should write or call at DR. W. K. DOHERTY'S Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation.

To Correspondents.

Patients residing in any part of the State however distant, who may desire the opinion and advice of DR. DOHERTY in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held sacred and confidential. If the case be fully and candidly described, personal communication will be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies), will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel.

☞ Consultation—by letter or otherwise, FREE. Permanent cure guaranteed or no pay.

Spermatorrhœa.

DR. DOHERTY has just published an important pamphlet, embodying his own views and experiences in relation to Impotence or Virility; being a Short Treatise on Spermatorrhœa or Seminal Weakness, Nervous and Physical Debility consequent on this affection, and other diseases of the Sexual Organs. This little work contains information of the utmost value to all, whether married or single and will be sent FREE by mail on receipt of six cents in postage stamps for return postage. Address.
