The attention of Radical orators and writers generally is called to this new development of Radical honesty; and it is hoped that before they cease their labors in the cause of virtue against Tammany, they will spare a brief moment to the contemplation of this gigantic | meaning that they were all for the

that prevails at Washington.

-

The Difference.

From the S. F. Examiner.

Since the detection of the thieving of Boss Teewd & Co., the Radical press all over the country have of the culprits. This is all right. We regard a democrat official thief as infinitly worse than a Radical thief. Ours is a reform party and it is through them that honest administration and constituional government are to be restored, if restored at all. So long as the Radicals retain power we can hope

as a party hobby—as a kind of thieves all the proceedings had fate; but it is certain that entirely political godsend. How lenient against them are by Democrats .- innocent persons, who from personthey can be on them when they The Governor, Attorney General, al malice or other cause should be are of their own party, is shown by | District Attorney and Judges are | wrongly accused of participation their marked reticence whenever a Democrats and could, had they in such offences, taking the North case of Radical rascality is brought | been disposed, have shielded the | Carolina trials as an example of the to light.
