

The Farm and Kitchen.

NEW YEAR'S ADVICE. Farmers, as business men, should employ the beginning of the year in making settlements of a business kind.

Mr. Beecher has contributed a great many working proverbs to the currency of everyday Christian life.

On Sunday recently a Methodist preacher in Iowa advised the sisters to mortify Satan by giving their jewelry to the church on the next Sabbath evening.

GLAD.—A little boy, after watching the burning of the school-house in Virginia City until the novelty of the thing had ceased, started down the street, saying: "I'm glad the old thing's burned down; I didn't have my joyful lesson, no how!"

Hon. C. L. Vallandigham's estate settles up much more favorably than it was generally supposed among his friends it would.

A story is told of a person asking another whether he would advise him to lend a certain friend money. "What, lend him money? You might give him an emetic, and he wouldn't return it."

PLECKY.—Mrs. Wallace of Minnesota recently broke her leg, but refused to let her husband hear of it, as it would interrupt a political stump tour he was on.

To remove ink spots, put the article stained over a warm flat-iron, stretch it well, then squeeze a few drops of lemon juice on it, and the spot will disappear at once.

REINVIGORATING FRUIT TREES. The experiments of Dr. Wood, President of the American Philosophical Society, upon the reinvigoration of fruit trees by the use of potash are supplemented by recent foreign researches.

TOP DRAINING WHEAT FIELDS. Where needed, is of the greatest importance, and it is better to do it as soon as the wheat is sown than to wait till the rains come.

FOUNDER IN HORSES. Take a table-spoonful of pulverized alum, pull the horse's tongue out of his mouth as far as possible, and throw the alum down his throat.

HOW TO MAKE CREAM PIE. For each pie take one table-spoonful of flour, two table-spoonfuls of sugar, well mixed with one half-tea-cupful of sweet cream.

RAILROAD CAKE. One cupful of sugar, one cupful of flour, two table-spoonfuls of melted butter, two table-spoonfuls of milk, three eggs, one tea-spoonful of cream tartar, and one half-tea-spoonful of soda.

SOUR MILK CAKE. One cup of sour milk, one cup of brown sugar, one cupful of chopped raisins, half a cupful of butter or lard, one egg, an even tea-spoonful of soda, flour to make a stiff batter. Spice to taste.

HARD GINGERBREAD. One cup of butter, two cups of sugar, one egg, half a cup of sweet milk, one tea-spoonful of soda, flour to roll, rose-water.

Our Major, says an old Mexican volunteer, had very long feet, and also a horse that threw every one but the Major.

COMPELLED.—A little girl about six years old, living in Massachusetts, was lately telling some of her schoolmates—children of Protestant Parents—what great things the priest could do.
