DRUNKEN INDIAN.—An Indian went into a China work house last Saturday, and drew a knife on the celestials. He was arrested and put in jail, where another Chinaman was when he commenced an assault on him and nearly made a good Chinaman of him before assistance arrived. The Indian was placed in irons to prevent him from doing farther mischief.

GOOD NEWS.—We call especial attention to the advertisement of Chas. H. Caufield, in to-day's paper. Charley has just received a fine new stock of goods, which he sells as cheap as can be had in town, Portland or any other place. When a man advertises liberally, you can always get good bargains from him. Give him a call.

NEW PREACHER.—We learn that the M. E Church at this place has called Rev Mr. J. D. Locey to act as their pastor for the ensuing year, which call he has accepted. Mr. Locey is a man of fine abilities and what he may lack in experience in his new calling, he will make up by close application.

BENEFIT.—A number of our citizens united and gave Mr. J. M. Bacon a benefit last evening, in order to aid him to make up the loss which he recently sustained by being robbed. We are pleased to state that our citizens showed a very commendable degree of liberality and the affair proved a success.

RETURNED.—During the past week Major Charman and Mr. Ackerman returned from San Francisco, where they have been purchasing their fall and winter stock. We are informed that both have purchased fine stocks, which will arrive in a few days and be ready for their customers.

CONCERT.—The children of the Congregational Sabbath School will give a concert next Tuesday evening at the Congregational Church for the benefit of the School. The exercises will chiefly consist of singing temperance songs and reciting temperance pieces.

HEAVY FALL.—As Councilman Moss was going down the hall steps leading out of this office, last Saturday evening, he missed the first step and fell the whole distance down, receiving some bruises but none of a serious character.

CALLED.—Senator Kelly has been in town during the past week, and gave us a call. We regret to state that his health is not very good, but hope he may soon enjoy his former good health.

PASSED UP.—Willamette Engine Co. No. 1, of Portland, passed up on the morning train yesterday for Albany, to pay a friendly visit to their brother firemen at that place. They will return this evening.

STOCK.—Mr. I. Selling has just received a new stock of fall and winter goods, which he offers to his customers at unusual low prices. Give him a call.

SERIOUSLY ILL.—The many friends of Judge W. T. Matlock will regret to learn that he is dangerously ill, and that there is but little hope of his recovery.

QUARTERLY MEETING.—The Quarterly Meeting of the M. E. Church will be held to-morrow, continuing over Sunday.

RETURNED.—Mr. N. W. Randall returned home from his visit East yesterday. He looks fine and hearty.

MUSIC.—Persons desiring new music can procure Peter's Monthly at John Fleming's book store at publisher's price.

FOR SALE.—We have a supply of deeds mortgages and other legal blanks on hand and for sale

The Radicals in their euphuistic moments, have charactarized Mr. Greeley's endorsement by the Baltimore Convention, and Senator Sumner's endorsement of Mr. Greeley, as a "surrender to the enemy, and abandonment of principles." What, we ask, then, again, will they call General Dix's nomination by the Republicans of New York?

During the last year of Johnson's Administration the total expenditures of the Government were $584,777,996 11. The next three years under Grant the total expenditures averaged $692,371,323 17 per year showing that the expense of the Government under Grant is $107,593,329-88 each year more than under Johnson.

Reasons For Voting For Greeley.

From the Pittsburg Post.

1. Because we want a change of administration and we see no other way to get it.

2. Because he received the unanimous nomination of the regular, well qualified representatives of the Democratic party.

3. Because he is more intelligent, and quite as honest as Grant. On the score of honesty, the Radicals cannot justly claim any superiority for their candidate.

4. Because he has some *heart* and feels for the sufferings of his fellow men; whereas Grant is selfish, coldblooded man, without such a heart.

5. Because Greeley has pledged himself to a course of action in harmony with the principles of the Democratic party, and in no other way than by his election can the people now hope to see them once more in the ascendant.

6. Because Grant, and the party who sustain him or whom he handles—it makes little difference which, have shown, unmistakably, that they do not intend to allow our Southern brethern to be free men, or the Southern States to have any real sovereignty or any rights such as states should possess.

7. Because Grant, and his men, forming the Grant Government, have exhibited before the whole world the meanest spirit ever shown by a great Government. They cannot disgrace the American people, but they have disgraced themselves, and lowered our people's *government* in the estimation of fair men among all nations.

8. Because Grant, and his tools, as unscrupulous as himself, have sent hordes of Radical thieves into the homes of our Southern brothers and robbed them of their pittance left by the war, and involved them in vast debts, in the most barefaced and outrageous manner.

9. Because Grant, and his men, have no respect for the people, North or South; caring only for what they can *make* off them; whereas Greeley is himself one of the working men, and alive to their feelings and both kind and considerate

10. Because the best men among the Radical leaders, who *know* Grant, have pronounced him unfit to be the ruler of a free people.

11. Because he makes *self* and his own personal greed and qualification primary, and the affairs of the Government a mere plaything, and entirely secondary.

12. Because he appoints men to public offices who are unfit and dishonest, knowing them to be so; and retains them to the serious injury of the people's pockets.

13. Because Grant's "politics" have been simply ridiculous. He came into the office with the public declaration that he had "no policy," whereas his whole action from beginning to end has been but a succession of Grant policies.

14. Because his San Domingo policy is not dead, but sleeping; and in case of his re-election it will be put through by his tools as surely as the sun shines, and it is a wicked scheme—nothing more than a corrupt and most dangerous Grant job.

15. Because Greeley nominated as he has been and supported as he will be, by the well disposed men, of the United States, will naturally rally around him the best men, and secure an honest administration of the Government.

16. Because we can stand on honest administration of the Government.

17. Because, although Greeley as an editor has through a long political life opposed many of the principles of the Democratic party, our nominating Convention has satisfied itself that he is now ready to harmonize with them upon the great measures vital to our country's prosperity, and the existence of free Government.

18. Because we have ever since the war condemned the policy inaugurated by the dominant Radical party as inimical to the true interests of the Southern States, whilst Grant not only supports it but aggravates it by his military tyranny over them.

19. Because Greeley condemns this tyrannical and wicked course, and stands ready to discard it from our Government as a disgrace to modern civilization.

20. Because there is nothing whatever, no policy and no act of our Government more important, more fraught with high consequences in the immediate and distant future than the real fraternization of the North and the South.

21. Because such fraternization under the rule of Grant and his men is an impossibility; while under the action of Democratic principles it will be a certainty, speedily realized.

22. Because Greeley is unwilling to learn, while Grant is notoriously, as well as childishly, stubborn and mulish.

23. Because, if these or any of these reasons are to be regarded as praise of our political enemy, we can afford to let it stand, when brought to the square choice between Greeley and Grant, "look on this picture, and on this."

24. Because our course as a Democratic organ has been and is consistent. We favored the nomination of a straight ticket, believing that it could be carried. We believe so still; but our party has marked out its plan, and we intend to stand by the Democracy, and by Greeley and Brown.

The Cost of Presidents.

From the N. Y. World.

The Total expenditures for keeping the executive mansion in repair and furniture, lighting the capital and executive mansion, and finding the latter in fuel, and other outlays necessary in 1867–8, during the Presidency of Andrew Johnson, were $86,764 01, and here is the estimated detailed amount that Mr. Boutwell asked Congress to grant him for 1872–3, and which of course was appropriated, that Mr. Grant might be comfortable:

EXECUTIVE MANSION AND GROUNDS.

For repairs to mansion	$ 10,000
For fuel	5,000
Furnishing same	10,000
Repairs and care of green-house, including new flower stands and pipes	10,000
Constructing 643 feet drainage	3,000
Lighting executive mansion and capitol	45,000
Lighting grounds around executive mansion	1,000
Lighting Lincoln square	500
Lighting Lafayette square	1,000
Lighting Franklin square	1,000
Pay for lamplighters, gas-fitting and plumbing	15,000
Continuing work on Executive avenue including coping, curbing, fencing and macadamizing	40,000
Care and improvement of Reservation No. 2, Lafayette square, including grading &c	28,000
Annual repair of fences around the square	2,000
Manure, and hauling for the same, on public grounds	5,000
Total	$176,500

In 1860 Mr. Howell Cobb Secretary of the Treasury, returns the total expenditure for lighting executive mansion and capitol, for fuel for the president's house, returnishing, and keeping the grounds, &c., at 56,750 98.

It therefore appears that Mr. Johnson's living cost us only fifty-three per cent. more than Mr. Buchanan's and if we consider that 1867–8 was a year when gold averaged 140, the increase is not much against Mr. Johnson. But our present president, gold at only 115, increases the expenditure over that of his predecessor fully 100 per cent., and over that of Buchanan 325 per cent. In all ways Mr. Grant "comes high."

The Baltimore *Gazette* calls the attention of the Democratic State Executive Committee of Pennsylvania to the colonization of the border counties of that State by negroes from Virginia.

THE STAMPEDE IN MINNESOTA.—Mr. Ignatius Donnelly, ex-member of Congress from Minnesota, writes as follows of the situation there:

I sincerely believe that the electoral vote of Minnesota will be cast for Greeley and Brown. In many localities we have already from 20 to 50 per cent of the Republican vote pledged to their support, while the Democrats who will vote for Grant or refuse to vote at all are as rare as white blackbirds. Mr Greeley is certain to be elected—not for his sake, but for the sake of the nation.

A man by the name of Wm. Conwell, a native of England, died in Wasco county some time ago who, when alive, lived so meanly that he hardly kept his body and soul together. It is supposed by some, that he starved himself to death or the next thing to it, at least he was so reduced from the want of proper food that when disease attacked him he was taken off almost immediately. Since his death his estate has been settled up and there is a balance of $4,117 22 in coin remaining in the hands of the administrator that will evidently go to the State, as he died without leaving any known heirs.

TWEEDLEDUM AND T. WEEDLEDEE.—The old Tammany Ring of this city says the New York *World* had its origin in a combination of Republicans and Democrats. Thurlow Weed was the organizer on the Republican side and William M. Tweed on the Democratic. To-day Thurlow Weed is operating for Grant at the Utica Convention, and Tweed is about to contribute out of his plunderings half a million to help elect Grant. Thus it is that T. Weed and Tweed are again check by jowl.

Westfield, Mass., has started a Greeley and Brown Club with one hundred members, embracing many of the most prominent Republicans in the town, one of whom for a number of years has been Chairman of their Town Committee. Carry the news to Hiram and Henry.

Card of Thanks.

I d sire to return my sincere thanks to my fellow-workmen for their generous gift to pay the expenses of a suit which was recently decided against me. It is especially gratifying to me as it comes unexpected and unasked, and is the gen erous gift of those whose hearts are always right; and who will uphold their comrades when unjustly prosecuted. Most of these parties were present at the trial, and while the verdict of the jury was against me, their judgment is thus shown in my behalf. Thanking you for this exhibit on of your esteem, I remain yours,

GEORGE CLARK.

BUFFALO, N. Y., Dec. 13, 1870.

DR. R. V. PIERCE: For the past six months I have used your Golden Medical Discovery in my practice, and in that time I have tested its merits in severe coughs, both acute and chronic, in carotic diseases of the throat, severe cases of bronchitis, general derangement of the system, constipated condition of the bowels, and wherever a the ough Alternative or blood p rifier has been indicated. In all cases I have found it to act gently, yet thoroughly and directually in removing the various diseased conditions, and bringing about a healthy action throughout the system. Yours fraternally, H. L. HALL, M. D.

This medicine is sold by all respectable druggists in all parts of America.

Valuable Hints.

A regular habit of body is absolutely essential to physical health and clearness of intellect. Nor is this B. Beauty of person cannot co-exist with an unnatural condition of the bowels. A free passage of the refuse matter of the system through these natural waste pipes, is necessary to the purity of the body as the free passage of the offal of a city through its sewers is necessary to the health of its inhabitants.

Indigestion is the primary cause of most of the diseases of the discharging organs, and one of its most common results is constipation. This complaint, besides being dangerous in itself, has many disagreeable concomitants—such as an unpleasant breath, a sallow skin, contaminating blood and bile, hemorrhoids, headache, loss of memory, and general debility.

Hostetter's Stomach Bitters remove all these evils by removing their immediate cause in the digestive organs, and regulating the action of the intestines. The combination of properties in this celebrated preparation is one of its chief merits. It is not merely a stimulant or a tonic, or an anti billious agent, or nervine, or a blood depurent, or a cathartic, but all these curative elements judiciously blended in one powerful restorative. It lends activity and vigor to the inert and enervated stomach, relieves the alimentary canal of its obstructions, and gives tone to the membrane which lines it, gently stimulates the liver, braces the nerves, and cheers the animal spirits. No other remedy possesses such a variety of hygienic virtues. It is to these characteristic virtues that it owes its prestige as a household medicine. Experience has proved that it is harmless as it is efficacious, and hence it is popular with the weaker sex as with the stronger.

Hostetter's Stomach Bitters are sold in bottles only, and the trade-mark blown in the glass and engraved on the label is the test of genuineness. Beware of counterfeits.

We clip the following from the Troy [N. Y.] *Whig*:

"Some three months since Dr. R. V. Pierce, of Buffalo, N. Y., commenced advertising in the *Whig*, an article called 'Dr Sage's Catarrh Remedy. We believed at that time it was one of the many catch-penny arrangements to swindle the people out of their money, but during the past few weeks have become convinced to the contrary. We know of several prominent citizens who have suffered from that loathsome disease "Catarrh," and they pronounce Dr. Sage's Remedy no humbug, and in several instances have been entirely cured. We desire to give Dr. Pierce the benefit of the same.

THOMAS CHARMAN
ESTABLISHED - - - - - - 1858

"A Nimble Six-Pence is better than a Slow Shilling."

I have just returned from San Francisco, where I purchased one of the

Of the above list, I can say my stock is the MOST COMPLETE ever offered in this market, and was slected with **especial care for this market.** All of which I now offer for sale at the
Lowest Market Rates.

No use for the ladies, or any one else, to think of going to Portland to buy goods for I am DETERMINED TO SELL CHEAP and not allow myself to be
UNDERSOLD IN THE STATE OF OREGON.

All I ask, is a fair chance and quick payments. Believing, as I do, that nineteen years' experience in Oregon City enables me to know the requirements of the trade.

Come one and all, and see for yourselves that the old stand of
THOMAS CHARMAN
cannot be beat in quality or price. It would be useless for me to tell you all the advantages I can offer you in the sale of goods, as every store that advertises does that, and probably you have been disappointed. All I wish to say is, come and see and examine for yourselves, for I do not wish to make any mistakes. My object is to tell all my old friends now that I am still alive, and desirous to sell goods cheap, for cash, or on such terms as agreed upon.

Thanking all for the liberal patronage heretofore bestowed.
