Natural Grumblers.

It is not that everything and every body is wrong with which A Chicago police sergeant, who they come in contact, but they are cannot deviate from habit. The grumbler must be a tattler, for the other. To grumble and find A widower, who had never fault, is to tattle and babble of the

It is amusing to sit in a railway or women make themselves conspicuous in their fault finding. It is too warm, cold, windy, sultry, rainy, dry, crowded, empty and stifling. The cars run so miserathe seats are turned the wrong The money was recently collect- way; there is dust and cinder comout its brilliant rays? It now goes

One of the novel features of too fast; they stop too long for boy in her arms she threw him into the car window, and he called out "Papa" lustily. The transt has the astonishment of the constant of the co can newspapers, arranged accord- coop them up for ten or twenty minutes in the smoke, and heat, and dirt. The best things, the greatest advantages, and the most politeness shown the grumbler, are

To bear all things bravely, And smile whene'er you can.

Why should you dread to morrow, And thus despoil to day ? For when you borrow trouble, You always have to pay.

It is a good old maxim. That often should be preached-Dia't crass the bridge before you Until the bridge is reached,

You might he spared much sighing It you would keep in mind The thought that good and evil Are always here combined.

There must be something wanting; And though you roll in wealth, You may miss from your casket That previous jewel, health.

And though you're strong and sturdy. You may have an empty purse. And earth has many trials. Which I consider worse.

But whether joy or serrow Fill up your morial span, 'Twill make your pathway brighter To smile whene or you can.

Why to Support a Local Newspaper.

The Cleaveland Herald makes the following truthful observation cuss, Sam Jett, crept up last night but a blissful one, if we may judge concerning country papers, and and fired at me through the win- by the actions of the duty of giving them wholesome support:

necessity to the country and com- double barrel. manity where it is published. All the city papers cannot supply the place of a home paper.
